

Quarterstaff Quatrains IV

By

Gale Palmer

Clouds are moving towards the west,
I feel the wind's caress;
Morn's sunrise glows with golden rays,
I watch the light at play;
The thunder rolls as lightnings flash,
I hear the deaf'ning crash;
Then rain begins its soft descent,
I smell the earth's clean scent;
The air is wet with cloudy dew;
It tastes like all things new;
But here, the senses do not pause;
There are two more that cause,
Our joy and peace to overflow,
That we may always know,
That faith procured from Holy Word,
Doth ever please our Lord;
Reminding us that from above,
We're showered with His Love!
Not five, but seven are required,
To live a life inspired;
By Holy Breath of loving God,
While here upon the sod.

True hearts are never turned away,
 But may, believing, ever stay,
 In Truth's own Light, eternal Day,
 In fellowship with Living Way!

Professing faith does not confirm, That I,
 God's Word, have never spurned, To
 stay my mind upon God's Word,
 Will keep me faithful, unperturbed!

Approaching God through faith alone,
 I can do nothing on my own, Obedient
 faith and simple trust, Preserve for aye
 the faith-full just.

Them that believe on Jesus' name, Will
 prove by word and deed the same, When
 God doth judge the hearts of men, Them
 that believe will enter Heav'n!

Do those about you know full well,
 That you please God. Can people tell?
 Is your focus God's Holy Writ?
 And is your heart with Truth well knit?

Coming to God requires belief, That
 with Him we'll find true relief, His
 Truth must fill our very soul,
 If we would be completely whole!

Your faith will find a haven safe,
 And it will warn the human race,
 When Godly fear adorns your face,
 All men will know of saving faith!

True faith will move the heart of man,
 To follow after God's good plan,
 Though held by men in scorned derision,
 Faith ever knows our Lord's provision!

The sin of doubt and unbelief,
 Will never bring our souls relief,
 For we will quake like falling leaves,
 Unless we purpose to believe!

The gaze of God will guide our soul,
 To Heaven's gates from evil's shoals,
 Diligently we must pursue,
 The Word of God that guides us through!

The faithful soul doth plainly say,
 Why they believe the Living Way,
 No one can doubt their simple creed,
 For it is proven by their deeds!

Our sins should stay beyond our view,
 As we pursue the Way that's true, We
 cannot pause or turn around,
 Or unto death we will be bound!

Heaven's Gates of pearl and white,
 Are never closed, all shining bright,
 Within, enthroned, is God of Light,
 For those who faithful followed right!

The Peace of God is knowing Him,
 That He can save from all your sin,
 Relinquish sin and you can fly,
 To heaven's portals in the sky!

The evil day doth not delay, Repent you
 now, while you still may, For those that
 miss Last Trumpet's call, Perdition's
 blackness will befall!

He worshipped God with lowered head,
 While sitting on his dying bed,
 He wove by faith through words he said,
 A tapestry of golden threads!

True faith commands the deeds of men,
 Eradicating all their sin,
 It stands alone with fearless stance,
 And wavers not at any lance!

By fearless faith we stand unmoved,
 Because the pow'r of God we've proved,
 We know His love is sure and pure,
 And will forevermore endure!

Through faith the righteous can resist,
 Though Satan's hordes with guile persist,
 Protecting us upon the sod,
 Til we behold Almighty God!

The saint's rewards will far exceed,
 All thoughts and words or even deeds,
 Given from heart of adoring love,
 Reserved for them in worlds above!

The "Empty Tomb" proclaims the facts,
 Triumphant o'er all human acts,
 That Jesus Christ is KING of Kings,
 And will forever reign supreme!

Enduring saints forsake their sin,
 Because they have Christ's Light within,
 The precious Truth to guide their way,
 Til He returns, O Glorious Day!

Obedience displays belief, One's
 evidence of trusting faith, Who
 will for aye in peace abide,
 Sealed by the Blood of Lamb who died!

The Red Sea's depths stood up, revealed,
 The sandy road they had concealed,
 Prepared by God in perfect plan,
 To bring His own to Beulah Land!

The walls of wickedness will fall, For
 those who on God's Word do call, The
 hearts of faith, obedience,
 Will conquer all with confidence!

Access to God by faith alone,
 Is not by works which you have done,
 The gift of faith from Holy Word
 Will keep you safe with Heaven's Lord!

Man's worth was fixed by God alone, When
 by His choice man's flesh He donned, To lift
 the curse by which men die,
 And give to them Eternal Life!

If sin emaciates your soul,
 And you desire to be made whole,
 The Truth must rule your wayward heart,
 And from it you must never part!

God's gracious hand will often lead,
 In paths of grief and painful need,
 To guide us to the shores of bliss,
 Where we will dwell forever blessed!

God's scourge of love will shape and form,
 Each soul til masterpiece is born,
 Reflecting Christ, the Lamb twas slain, For
 all who call upon His name!

The gentle tug of Father's hand,
 Will keep us safe wherein we stand,
 That we not fall in sad disgrace,
 From edge of sinful precipice.

The mighty pow'r of God displayed,
 Is in the firmament arrayed,
 And none will have a word to say,
 Before God's Throne on Judgment Day!

Refusing God's own Holy Word, Will
 leave you chasing "facts" absurd, And
 in the end find you in Hell, Because
 for Satan's lies you fell!

Serving God with reverent fear, Keeps
 us close by Him, very near, Where we
 may walk in Love and Peace, Where
 Life and Joy will never cease!

Brothers love each other true, No
 matter why or what they do,
 Rebuking plain a sinful deed,
 While meekly staying their knees!

Demon cherub, Angel, or man,
 Are measured by their righteous stand,
 The Truth reveals iniquity,
 In whom no matter it shall be!

Remembering God's love for me,
 I seek to help the needs I see,
 With comforting and prayerful deeds,
 Doing my best with ev'ry need.

The solemn vow, Salvation's trust,
 Is sure beyond return to dust,
 It's keeping pow'r is God's above,
 It rests securely in His Love!

Not even one will ever fail, But
 ev'ry Word of God prevails, Nor
 jot nor tittle fade away,
 But will forever be our stay!

Man's pride and lust will find no ease
 Adrift in sin and evil seas, Truth's
 breezes fill faith's hoisted sail, To bear
 men Homeward without fail!

I only keep what's giv'n away, For
 God is all my hope and stay, He'll
 ne'er forsake me by the way, And
 all my good He will repay!

If I judge without a prayer,
 I only show I do not care,
 But only wait to criticize,
 To keep the sin in which I lie.

The faith of Jesus Christ our LORD,
 Is founded in His Holy Word,
 For what He says is always so,
 And there is naught He does not know!

When ye fall and cannot stand,
 Reach for Master's ready hand,
 Forsake the ways that you have planned,
 Or you will partner with the damned!

There is no end to Wisdom's Gold,
 To those who stay within the Fold,
 For there you'll find the God of old,
 And all His treasures you may hold!

A doubtful man will not receive,
 For he in faith does not believe,
 He knows not how or what to pray,
 Because he follows his own way.

The Truth will light Life's narrow way,
 If we, within it, choose to stay,
 The night is fraught with those who stray,
 We must be children of the Day.

Our human strength will fade away,
 Unless our eyes on Jesus stay,
 And though beset by foe and fray,
 Our Savior's pow'r will save the day!

To know God's Word needs diligence,
 With trusting faith, obedience,
 Do this with all expedience, God's
 Love will be your recompence!

Oh do not err with thoughts of sin,
 For evil comes from soul within,
 My inner thoughts will guide my plight,
 To darkest pit or brightest Light!

The Word of Truth brings blessedness,
 The Peace and Joy of righteousness,
 It brings men to companionship,
 The Lord of Heaven's fellowship!

Naughtiness slithers into life,
 Disguised as hurry, fun, and strife,
 Before we know, we've done a slight,
 And ceased from walking in the Light!

Unspotted from a world of sin, Can
 only come from faith within,
 Engrafted there by God's own Word,
 A "knowing" trust in Christ the Lord!

The faithful man always obeys, His
 action proves just what he says, The
 doing of the Law of Love,
 Will bring us bounty from above.

A man cannot forgive my sin,
 Nor free me from death's mortal whims,
 Tis Truth alone that works within,
 And Christ alone that saves from sin!

I stand before my God and KING,
 Forlorn, forsaken, perishing,
 With nothing in my hand to bring,
 By faith alone to Grace I cling!

Men's deeds are either wrong or right,
 They will be judged by Jesus' Light, If
 men by faith will do what's right,
 They'll live for aye in Heaven's Light!

The humble soul will see the LORD,
 For it is written in His Word,
 That those who humbly seek His face,
 Will find in Christ amazing grace!

Faith light as a feather and strong as a gale,
 God's power for the faithful will never fail,
 When we reach the close of our sojourn below,
 Faith safely presents us to Heaven's bright glow.

The fearsome God who reigns above,
 Has offered pardon out of Love,
 To those who faithfully obey, And
 live to please Him day by day.

The life of God is what men need,
 For righteous worth of goodly deed,
 Without the Christ of evermore,
 The faith of men will be no more!

One Master only unto men,
 To deliver them from all sin,
 His Word infallible begins,
 Remaining steadfast without end!

A man's own words will surely tell,
 If they are set on fire of hell,
 For from the heart the mouth will show,
 The choice of path on which he goes!

The tongue reveals our hidden soul,
 And its condition, sick or whole,
 Tis God alone can heal the heart,
 That will not from His side depart.

No man can tame his evil heart,
 If he from God doth walk apart,
 God's Word will break the chains of sin,
 And give each man New Life within!

Your faith is made from Heaven's gold,
 It never fades or groweth old,
 It's worth can ne'er be bought or sold,
 It's holders all are in God's Fold.

The Prince of Peace hath died for me,
 That I might live eternally,
 All who seek in humility,
 Will find forgiveness for their plea!

The warring flesh destroys a man,
 Rejecting Truth and Heaven's plan,
 But if, by faith, they "hear" God's Word,
 Then they will follow Christ, the Lord!

Have you petitioned God above?
 The God of mercy grace and love?
 And have you followed His commands?
 Before you came with your demands?

While I may in the world reside,
 My life is safe by Jesus' side,
 I'll not be moved by evil's tide,
 If in His Word my heart abides!

The curtains of all earthly wealth,
 Doth leave men lie in wicked filth,
 By keeping Truth away from view,
 They blind men to true life that's new!

My words should true reflect my heart,
 And should be Truth right from the start,
 If God's own Word doth light my heart,
 My lips from Truth will ne'er depart!

To wait on God reveals my trust,
 My faith insists it must be thus,
 And then when time is fully come,
 I'll know God's Word stands fully done!

Prayer brings man before his God:
 Though he be bound by mortal sod,
 His faithful prayer the Throne reveals,
 Of God of mercy where he kneels.

I may not be a mighty man,
 I may not have a better plan, But if
 I do what God commands, When
 others fail, I'll firmly stand!

God's Word secures and keeps me safe.
 It's not my deeds or fickle fate,
 His Word forms worlds and whispers peace,
 Gives endless life twill never cease!

Seasons of sorrow come to all,
 Troubles and trials us all befall,
 But if we start to slip and fall,
 God's Word will keep us through it all!

Faith will end at Heaven's gate,
 For those who trust and hope and wait,
 They'll know the warmth of Love's embrace,
 When they, at last, see Jesus' face!

The Word of Truth our minds doth gird,
 And keeps our thoughts upon God's Word,
 It strengthens us when storms assail,
 And keeps us safe within the vale!

Importance none in eyes of God,
 Of men who walk upon the sod,
 They'll each be judged by their own deeds,
 Each receiving for his own need.

He rose from death forevermore,
 And proved His Word forever sure,
 For all who trust the God who came,
 The LORD of LIFE, in Jesus' name!

The Word of God will purify,
 Wickedness that tempts our eye,
 Protecting us from sin of chance,
 Safe in every circumstance.

Some food I taste delighteth me,
 It fosters pleasant memories,
 If I will trust the God above, I'll
 taste delights of endless love!

Jesus the Precious, is chosen of God,
 Given for men who are bound to the sod,
 To free them sin and from death's darkest night,
 Forever to live in Heaven's bright Light!

Our cornerstone is God, Himself,
 On ev'ry stone His hand is felt,
 The yielding heart will find its place,
 In God's own House, fixed by His grace!

A stumbling stone to sinful men,
 Offending them, because of sin,
 Still, Christ forgives the penitent,
 Who kneel before Him and repent.

By faith I am a child of God, With
 pilgrim's sandals I am shod, I
 tarry not for earth's delights,
 But seek God's City filled with Light!

I freely walk among all men,
 Unperturbed by evil's din,
 And I shall live eternally,
 For faith in Christ delivers me!

Undeserving, wicked men,
 May find deliverance from sin,
 If saints will simply honor them,
 With Christ's own strength indwelling them.

I've hid in Christ my life and soul,
 Where wickedness can take no toll,
 With His power I am kept whole,
 When evil billows o'er me roll!

A husband is responsible,
 To work out the impossible,
 The which he can most surely do,
 If he will to Christ stay true!

With singleness of mind and thought,
 The faithful do just what they ought,
 By faith they choose God's righteousness,
 And live a life of blessedness!

Oh fear thou not the devil's lance,
 Nor dread the evil happenstance,
 With shield of faith as thy defence,
 God will command each circumstance!

Our hope in Truth must be believed,
 Or not one soul will it relieve,
 By faith we know God's Word is true
 And what He says He'll surely do.

Keep God's Word secure in heart,
 And you'll not from the faith depart,
 Others will see your shining Light,
 And praise the God that gives you might!

If God should will my rocky trail,
 He's by my side lest I should fail,
 Nothing 'gainst Him can e'er prevail,
 Safe at His side, naught can assail!

A Spirit quickened Holiness,
Bestows on men true blessedness,
A life of true contentedness,
Eternal joy and blissfulness!

The path of Truth is narrow, straight,
And there be few that try its gate,
God's Judgment Day will never wait,
For those who doubt and hesitate!

Truth alone must conscience prove,
If I would speak to others true,
My thoughts must follow Truth and love,
If I would please my Lord above.

Without the light there's only night,
And in the night no step is right,
The Truth allows a man sure sight,
Through faith in God, to walk in light!

I need not follow sinful lust, If
I in Christ will put my trust,
And though my path be strewed with stones,
I'll safely enter Heaven's Home!

All time is past when life is o'er, A
time for Truth will be no more, There
is no time beyond death's door, Tis
Truth alone finds Heaven's shore!

Though I may sing like nightingale,
And though my efforts never fail,
I am at best the Master's tool,
To think ought else, I am a fool!

If often mocked by evil men, Who
love their wickedness and sin, For
loving God and righteousness;
I will secure true happiness!

Keeping what I cannot hold, God's
Word will keep the faithful bold,
They'll have no care for earthly ties,
For their hope lies beyond the skies!

Men scurry 'round like rats in maze,
Minds clouded by their lustful craze,
Rejecting Truth for pleasure's gain,
They end in Hell in endless pain!

The Word of God refreshes me,
Molding me how I ought be,
By cleansing sin from ev'ry deed,
It makes my life completely free!

Clothed in righteousness of Light,
Crucified in the blackest night,
God's only Son prepared the Way,
For men to walk from night to Day!

My care and woe and deep despair,
 Will ever want to keep me there;
 But if I trust in God by faith,
 My ev'ry burden He will take!

Faith will calm the racing heart,
 It will stay the fears that start,
 It will stand stedfast in fray,
 Until night's forever Day!

The Word of God will make you whole,
 'Twill heal the brokenhearted soul,
 Which mired in sin and unbelief,
 May find God's blessedness and peace!

I'm born of God, by faith in Christ, His
 righteousness clothes me with Light, I
 am a Prince and Heir of Grace,
 And I shall see my Savior's Face!

Granting men both faith and peace,
 The Word of God will never cease,
 Revealing Christ to men in night,
 And leading them to endless Light!

The Word of Truth reminds us so, That
 we have peace where e'er we go, For
 though our craft's tossed to and fro, Tis
 God with us; His Voice we know!

They walk about as prating fools,
 Denying even God that rules,
 Deceived by pride and sinful lust,
 They will be damned by Christ, The Just!

The path of Truth is often hard,
 With jeering jest and fiery barb,
 But faith prevails and keeps the pace,
 It perseveres by loving Grace!

Through faith the Word creates new men,
 Delivering from present sin,
 Removing scales from blinded hearts,
 Bestowing Life that ne'er will part!

The mind of Truth is mind of Christ,
 To ever, always do the right,
 Its trusting heart walks paths of Light,
 E'en though beset by darkest night!

Ungodliness of simple doubt, Will
 cause your faith to cast about, To
 seek some other place of trust,
 Excusing pride and sinful lust!

The ignorant will not escape,
 The wicked man will not be safe,
 When judgment calls God's Holy wrath,
 Hell's blackened flame will be their path!

Believing God will make you see,
 Exactly what you ought to be,
 His love will draw you heart and soul,
 His pow'r will keep you truly whole!

Creation's God doth oft repeat, And to
 the sons of men doth speak, Though
 fools deny this God of Grace, They'll
 rue the Day they see His face!

God's saving Grace will not delay,
 For negligence and men's parlay,
 The wicked man God never knew,
 But penitent souls find Him true!

"It is finished!" His tortured Cry,
 Commanded 'neath the blackened sky,
 Our Lord dealt death it's mortal blow,
 That men might Life forever know!

Human reason will never stand Alone
 to guide the soul of man; Without the
 Word of God's own plan,
 There'll be no Truth on which to stand!

The Voice of God my soul doth bless,
 With raptured joy, unfettered bliss,
 Secured and kept by boundless peace,
 Our fellowship will never cease!

Liars all, the sons of men,
 Born in foolishness and sin,
 Their souls are darkened from within,
 Until the Truth enlightens them!

I am secure in Christ my Lord,
 Because I gladly trust His Word,
 There is no hesitating doubt,
 For He has always brought me out!

There are no "new" eternal Truths,
 Even though sought by sinful fools,
 It's was recorded from the start,
 God's Word forever Truth imparts!

Sin's darkness blinds the "light" of men,
 Until the blessed "Light" of Truth shines in,
 If they will hear Truth's "still small Voice,"
 Eternal Life, will be their choice.

Pardoned for all eternity, Because
 my Saviour died for me, He bore
 my cruel penalty,
 To once, forever, set me free!

Jesus, my Lord, has overcome!
 Together, we, the war have won!
 Through Him I live eternally;
 And with Him I shall ever be!

The world will, soon, no longer be,
 But I shall live eternally,
 For, soon, my Lord shall come for me,
 And with Him I shall ever be!

The “End of Days” has now, arrived,
 Because God’s Word men do deride,
 Pursuing only sin and pride,
 They mock the Christ, who for them died!

The Voice of God speaks in the heart,
 And from His own will ne’er depart,
 His Voice is Truth in word and thought,
 And will be heard by whom tis sought.

“Liar! Liar! Pants on fire!
 Defines the life of Christ deniers;
 But those who walk with Christ the KING,
 Will ever let His praises ring!

What God has promised, so it shall be;
 For He is of eternity,
 Of His Word exists the whole of time,
 His beaming smile will soon be mine!

Slyly seducing foolish men,
 Denying Truth, promoting sin,
 They promise all, deliver nought,
 And damn men who are by them sought.

Christ returns! O glorious thought!
 For all the ransomed blood-washed throng,
 With all life’s battles finished; fought,
 They’ll greet their Father with a song!

In Christ I am all new again,
 No more imprisoned, chained by sin,
 His love doth give new life to men,
 Who all will come, believe in Him!

Like my Savior I shall be,
 When He comes to set me free,
 To change the flesh that bindeth me,
 To be like Him eternally!

Only faith can set me free, And
 grant to me sweet liberty, Born in
 Christ – a brand new me, To live
 with God eternally!

Freed by Truth from death and sin,
 I walk with sight mid blinded men,
 The Blood of Christ has purged my sin,
 And Heaven’s door I’ll enter in!

Children of darkness; Satan’s seed,
 Are manifest by hateful deed,
 They know not Truth will set them free,
 Will heal their blindness; let them see!

Dead or alive our heart will stay, When
 wrath of God falls Judgment Day,
 There'll be no second chance for men,
 Who chose their sin instead of Him!

God's sweet commands His blessings are,
 No matter if you're near or far,
 To find supply for ev'ry need,
 Obey God's Word with ev'ry deed.

The men who know the Truth will love,
 To share in knowledge from above, For
 they will know by spoken Word,
 The ones who worship Christ the Lord.

Through Christ I live, the life I live,
 For it is in His Life now hid,
 I live by faith in God's own Word,
 And I am kept by Christ my Lord!

Do you love God? On Him have called?
 Do you from sin rise when you fall?
 Does Spirit of God dwell in you?
 Does Truth command all that you do?

Love my brother, for this I must,
 Because it proves in God I trust,
 For daily needs from His supply,
 Until I see His face on high!

The very God is Jesus Christ, He brings
 the sinner into Light, Dispelling all the
 shades of night, Destroying death with
 pow'r and might!

The Word of God indwells my soul,
 Cleansing, teaching, making me whole,
 It's very presence makes me free,
 To walk in Light eternally!

I'm born of God no more to die,
 On wings of faith I now can fly,
 With Truth the focus of my all,
 I'll rise to meet Him when He calls!

Just "One" is what a man will be
 Throughout all of eternity,
 Created from eternity,
 The "image" of Infinity!

Everything was very good,
 When at last Creation stood,
 And Adam stood upon the sod,
 And at his side, the Mighty God!

A living soul to till the ground, With
 God this pleasure can be found,
 Forsaking God has cursed the man,
 Eternal death his final stand!

Condemned to thirst eternally,
 Without God's Word all man will be,
 But hid in Christ a man will be,
 A river-watered fruitful tree!

I'm fitted to my God above,
 And joined to Him by matchless love,
 Given before all time began,
 For I was in His master Plan!

Temptation's serpent had his way,
 Condemning Adam in a day,
 By sin all men have death to pay,
 But Christ was made a better Way!

The dark of sin surrounding men,
 Dispelled by Light of Truth within,
 Brings peace and joy and wondrous love,
 Eternal Life from God above!

Obey the Truth and walk with God,
 Though yet you be upon the sod,
 His Word in heart will guide you sure,
 And you will ever more endure!

Invincible, omnipotent,
 My shield is God above;
 No matter evil's grand intent,
 I'm sheltered in His Love!

Securing my deliverance,
 Providing my inheritance,
 The sinless Blood of Majesty, Was
 shed by Christ to pardon me!

Christ's Blood atones for mankind's sin,
 So all who come might enter in, Twas
 shed upon Golgotha's hill,
 His Blood redeems the sinner still!

Believing Truth we meditate,
 That we may never hesitate,
 To do the things contained therein,
 And happily remove from sin.

I am but dust upon the scale,
 And all my deeds to no avail,
 When death doth find me in the vale,
 Through Christ, alone, I shall prevail!

Search your soul with God's own Word,
 And you will find the sin preferred,
 Remove its blot from off thy soul,
 Confess to God and be made whole!

Jehovah God, indwelling men,
 Quickens dead men from within,
 He walks beside them ev'ry day,
 And talks with them along the way.

You may not hear a single fret,
Of all the burdens on them set,
But Pastor's burden, hid from sight,
Needs daily prayer to make it light!

My fellow soldiers, one and all,
Have each enlisted at Christ's call,
And we will fight til dying breath,
Doth bring us Home in Him to rest!

The blinded minds of unbelief,
Will never see the sweet relief,
Of well-worn path of Truth and Light,
Forever sealed in darkest night!

When seated first beside the KING,
We'll hear the gates of heaven ring,
When ransomed hosts will shout and sing,
As to their Lord their joy they bring!

The Word of God remains intact,
Secure against all vile attacks,
And it will judge both great and small,
All wicked will before it fall!

Cleanse your hands and humbly pray,
With Word of God to show the way,
So you may, one day, stand amazed,
With Blood-washed throng to give God praise!

My very thoughts are born in shame,
Yet Jesus Christ still knows my name,
He lovingly awaits my call,
And sends His angels lest I fall!

Bow not the knee to wickedness,
But follow after righteousness,
Let Word of God rule consciousness,
And lead a life of Blessedness!

The world will threaten, shout, and kill,
When men of God resist their will,
But if they knew the Wrath they bring,
They'd kneel and cry to Christ the KING!

Though wicked men may plot my death,
The pits they dig in midnight stealth,
Will open wide before their way,
And end their life on Judgment Day!

Our Lord's decree will stand for aye,
And we will meet Him in the sky,
Secure beneath our Saviour's Crown,
His praise forever will resound!

Our God will surely find the heart,
That seeks for Him a pace apart,
Will give that soul eternal Light,
And guide it in the Way that's right!

Tomorrow's dawn may be too late,
 To warn the wicked of their fate,
 The doom of hell doth them await,
 Unless the faithful warn with haste!

Christ's precious Blood has vanquished Death!
 For ev'ry son of man with breath,
 By faith believing in God's Word,
 The threat of death becomes absurd!

His brethren long to follow Home, The
 Lord they know and call their own, For
 in His presence lies in store,
 Love and Life forevermore!

When suffering brings on painful tears,
 Let prayer and praises grace God's ears,
 In life's dark shadows have no fear,
 Your Saviour's care is always near.

Creation cries before all men, That
 God is Truth and without sin, Christ
 died to save all sinful men, And
 gave His LIFE to rescue them!

God's Word is Truth, the home of soul,
 It's Words make men completely whole,
 When all of time remains no more,
 It will remain forever sure!

My enemy can wield no threat, Can
 cause no harm nor fear nor fret, If I
 but stay within the right,
 Of God my Saviour, Lord of Light!

The universe cannot contain, The
 God of Glory nor His Reign,
 But those who trust His Holy Name,
 Will make their heart His sweet domain!

The universe in vast array, Doth
 show His glory, Lord of Day; "The
 KING of Glory" is His name, And
 will forever be the same!

The mercies of His matchless grace,
 That found me when I had no place,
 Will keep my life securely safe,
 Until I see His wondrous face!

God's Word will teach me how to talk,
 God's Word will teach me how to walk,
 But if I disobey and balk,
 Eternal death will be my fault!

To come to God you need but need,
 The pow'r His mighty Name concedes,
 To whosoe'er that humbly calls,
 And on His Name alone doth fall!

The Word of God will educate,
Facilitate, illuminate,
And will reveal God's perfect plan,
For each believing trusting man!

We cannot know God's secret thoughts,
Until His Blood our soul has bought,
Then as we daily meditate,
His Word, our thoughts illuminate.

By trusting God, my way is clear,
And I can journey without fear,
For none of evil's foes of night,
Can dare approach me in His Light!

Forever will dawn with the Light of the Son, Pain,
death, and sorrow will be vanquished and done, His
Trumpet will herald eternity's Day,
As His shout calls to those invited to stay!

Before my God, how frail I am;
In endless eons just a man!
His life a vapor where he stands;
A grain among forever's sands!

Not by works that I have done, Will I
behold Christ's kingdom come, But
by His righteousness and grace,
I shall, at last, behold His face!

One cannot number blessedness,
The total of God's righteousness,
The height and breadth of faithfulness,
That loves, forgives our wretchedness!

I'm firmly fixed upon God's Word.
To trust another is absurd!
It spoke existence from the void,
It stands my one and only choice!

Eternal God as mortal came, And
mercy gave to men in shame,
That they might join in Love's refrain,
"Amazing Grace!" in Jesus' name!

When tempest tossed, my God is nigh,
He knows my deepest woeful sigh, He
ever waits to hear my cry,
And will preserve my soul for aye!

When depths of doubt around me roll,
And deep depression takes its toll,
I need but turn and face God's Light,
And He will make all things all right!

In depths of sorrow Light doth shine,
For I am Christ's and He is mine,
And when life's tide doth o'er me roll,
I'll rest secure in Heaven's fold!

In darkest night of sin and woe, The Truth
doth shine where I must go, It lights the path
my steps must take,
In righteousness, for Jesus' sake.

I cannot see my breath of air, But do
not doubt that it is there,
It's never failed, I need but breathe; It
always fills my daily need:
Our God is like the UNSEEN air,
Though trusting Him some will not dare,
He's never failed the trusting soul;
If men but come, He makes them whole!

The moments with my God and KING, Great
peace and joy to my life bring,
An answered prayer makes my heart sing, For
my God can do anything!

Victory gained by one's own deeds,
Retains within tomorrow's greed, If I
obey God's Word in deed,
He will supply my ev'ry need!

There is no secret that I keep, That God
above can't know and see, My record kept
in Heav'n for aye, Will not escape God's
righteous eye!

The wretched sinner seeking grace, May
find it all in just one place,
If they will humbly kneel and call, They'll
find God's mercy covers all!

My faith stands firm in face of fear, For
God, my God, is ever near, He holds my
life forever sure,
And by His side for aye secure!

I cannot know the whole foretold, Of
all the wonders to unfold,
For those who trust God's mighty pow'r, And
live by faith for ev'ry hour!

Pause and ponder heavenly Peace, All
the tempest now is ceased, When I kneel
alone in prayer,
I find my God is always there!

The stillness of your musing heart, Will
hear the Voice of God apart,
In thoughts of Truth and ceaseless prayer, For
God will always find you there!

In triumph shouting victory,
The ransomed throng in Glory sings, For
they will Christ, their Savior, see, And rest
for all eternity!

When you breathe your final breath,
 And your soul is found in death,
 Will Christ Jesus meet you there?
 And will Heaven be your fare?

Subdued by God for likes of me,
 Thus shall all my enemies be!
 The final conflict won indeed,
 By Christ on Calv'ry's cursed tree!

Tasting approves the worth of food,
 Promises met are understood,
 I cannot KNOW my God is good,
 Until, through faith, I have withstood!

My God doth reign supreme in all, The
 boasting proud will surely fall, Before
 God's mighty Hand of Wrath, When
 Day of Judgment comes to pass!

My children see the things I do,
 And will, themselves, the same approve,
 So I must follow, true to the end,
 My Savior, God, my truest Friend!

Our God will judge the quick and dead,
 And none may stand there in your stead,
 But those washed in Christ's Crimson Flow,
 Will stand redeemed by Him they know!

It all belongs to Holy God, From
 distant stars to earthly sod,
 And there is naught that you may pay,
 Twill clear your name on Judgment Day!

Denying Truth, along your way, Will
 damn your soul on Judgment Day,
 Your life is more than what you say,
 There's no excuse to disobey!

God's Holy Word doth cleanse a man,
 From spot and blemishes of sin,
 So Death's Door then becomes for them,
 The Portal to eternal Heaven!

No matter what may come my way,
 My God will be my hope and stay,
 And by His side I'll rule the day,
 And nothing, will my life dismay!

I am delivered! Yes I am! My
 God will execute His Plan!
 No demon, devil, scheme of man,
 Can God Almighty's will withstand!

My trust in God is fixed because,
 I hear His Voice without a pause,
 His Word entrenched in ev'ry thought,
 Doth surely turn men's threats to nought!

The Light of Life, the Word of God,
 Delivers men from mortal sod,
 And in that Light, all men can see,
 The path to life, forever free!

Fix your heart on Truth alone, And
 you will walk, a righteous one,
 Pleasing God, approved, and safe,
 Until you see His Blessed Face!

Robe of righteousness, not mine own,
 For Blood of Christ my sin atoned:
 Rewarding me for naught I've done;
 I did but simply, humbly come.
 His Love was giv'n before twas sought;
 My soul, with His own Blood, He bought;
 That I might live forever free!
 O praise His name! Christ ransomed me!

God, my mercy, strength, and defence,
 Without Him I would have no chance,
 For Hell would wait with bated breath,
 And I would know eternal death!

God will save, protect, and keep,
 Ev'ry man that doth Him seek,
 He'll wipe the tears the faithful weep,
 And guard the pathway of their feet!

Your soul cannot be overwhelmed,
 If Christ your Lord is at the helm,
 For he will steer your course aright,
 And you will dwell in endless light!

God's Word leads my steps aright,
 For it leads my steps with Light, If
 I will walk within its Light,
 There is no darkness in my sight.

All power is from God alone,
 From kingly throne to hearth and home,
 For ev'ry act must man condone,
 When he doth stand before God's Throne!

Every one will stand alone, Before
 God's righteous Holy Throne, And
 answer God for ev'ry one, Unrighteous
 deed that they have done!

My doubt and fear come in the night,
 When all seems lost and there's no light,
 True faith trusts not what fills the sight,
 But always knows that God is right!

The God that hears the righteous prayer,
 Will bear my burdens, ev'ry care, And
 when I enter Heaven fair,
 My Savior God will meet me there!

Our God forevermore exists, And
 by Him everything consists, And
 nothing can His Word resist, And
 with Him all His children rest.

What will you say on Judgment Day?
 When heav'n and earth have passed away?
 Knees will bend, and mouths will wail,
 Excuses there, will not prevail!

We are loaded down with benefits,
 What man is there deserveth this?
 From a Holy God who died for us,
 That we might share His righteousness!

My God! My KING! Doth Sov'reign reign,
 Creation doth His might proclaim; Forever
 vanquished, in His Name, Death's threat to
 me is made in vain!

The mire of sin engulfs the man,
 Who lives outside God's only plan,
 Deceived by self, a fool's own quest,
 Forever lost to Heaven's rest!

I can rejoice along my way,
 If God is found there ev'ry day,
 If I will walk the path of right,
 I shall, forever live in light!

If I obey God's Holy Word, Man's
 threats will then become absurd, No
 danger, fear, or threat can turn,
 My heart from Truth, for which it yearns!

Ready to go when eternity calls,
 Ready to meet the Creator of all,
 For we have met, I have trusted His Word,
 Forever I'll be with Jesus my Lord!

God is everlastingly, now, No
 matter what you do or how,
 Repent of sin, His Word obey,
 Or you, eternally, will pay!

God paid the price to set me free,
 And death no longer threatens me,
 If I repent, His Face I'll see,
 And I shall live, eternally!

Come what may, I trust the Lord,
 I can depend upon His Word!
 It will for evermore endure, I'll
 live for aye; of this I'm sure!

May the fire within my heart,
 Not be Satan's fiery dart,
 Let it be sweet Heaven's glow,
 God's Word of Truth that I know.

Peace and rest for aye in Christ,
 Death fades away in Heav'nly Light,
 Never again will there be night,
 No sorrow, pain, and all is right!

Men's foolishness denies the Truth,
 As earthly pleasures they pursue,
 They damn their souls eternally,
 For one more fleeting drop of glee!

Within my heart there is a place,
 Where I can meet God, face to face;
 For it was bought by Blood of Christ,
 So I may enter God's own Light!

If men do not the Truth believe,
 Then Satan's whispers will deceive,
 Eternal life they'll never see,
 And Hell will wait them to receive!

Wondrous things of Creation stand,
 Enabling men to understand,
 The Glory of their God above,
 Of His mercy, grace, joy, and Love!

Blazing a trail before our eyes,
 Mercy is there when we arrive,
 Preventing evil in our way,
 God always makes His child a way!

Lord, when I sin, as oft I do,
 Turn me again to follow you;
 O let your Love shine in my heart,
 That I may ne'er from you depart!

Power in the universe, remains the thunder's secret, Perfect
 writ in God's own Word, commandment upon precept, It is the
 voice of lightning's flash, the all-consuming sound,
 The Voice that whispers perfect peace, to those whom God has found!

The heathen rage in vanity,
 And revel in impurity,
 But God knows their iniquity,
 Will judge them for eternity!

A cord is weak til it be twain,
 A third will strengthen yet again,
 Together three will hold the weight,
 Where one alone would surely break.

If Jesus Christ is lifted high,
 Within my life as I pass by,
 He will be known to ev'ry eye,
 Like dark doth melt to sunlit sky.

A loving heart for Him alone,
 Is what the Lord requires of one,
 As yielded fruit from bearing tree,
 It pleases Him to be with me.

Though Satan move with heavy tread,
 And fill the souls of men with dread,
 God's Wrath will surely find his head,
 And ev'ry man twas by him led!

Far greater than Creation's Span,
 He was before all time began, He
 is the wealth of ev'ry man,
 He calls Himself the Great I AM!

How soon forgot the debt we owed, How
 soon forgot Christ's anguished throes, How
 soon forgot the Love bestowed,
 How soon forgot the LORD we know!

Carnal minds like ducks in a row,
 Will lust to sin where e'er they go,
 God's Love demands our life our all,
 We dare not tarry when He calls.

The Flesh is evil, sold to sin, Its
 choices never cleanse within, But
 with the Truth of God all men, Can
 live forever without sin.

To love your God with all your heart,
 You must obey Him from the start,
 For love is not with speech laid claim,
 But faithful deeds that make it plain.

A critic's eye must never cast,
 Upon a brother or his past,
 For Christ forgave us all our sin,
 And others, too, must be forgiven.

If I should cause another's pain,
 I should not let a moment wane,
 Until I have made just amends,
 And once again restored my friend.

There are no words that can describe,
 The glory saints will e'er imbibe, But
 there are pleasures evermore,
 For those who reach Sweet Beulah's shore.

The wisest man who ever lived,
 Hath no good reasoning to give,
 For faithful God of ancient ways,
 Who gives him health and length of days.

The faith you have is not your own,
 Tis given from the Father's Throne,
 To them who come to dying Lamb,
 And know He is the great I AM!

The season of our harvest comes,
 When all our earthly work is done,
 But until then we'll carry on,
 Til safely we arrive at Home.

God the Mighty Three in One,
 Has given us His only Son,
 That we together might be one,
 And have the Vict'ry He has won.

God's Word brings men to Majesty,
 If they will follow faithfully,
 And we will know His love is true,
 For He loved us before we knew.

God remembers ev'ry sparrow as it flies throughout the land,
 And He numbers ev'ry hair upon our head,
 He keeps every believer in His great unchanging hand,
 We simply need to follow where we're led.

Jesus Christ, the Prince of Peace,
 Even to the very least,
 Brought Salvation, Truth and Grace,
 That we might see His Blessed Face!

He came to earth from up above, He
 came to save the ones He loved, His
 Love, the sinner comes to know, If
 we, His Love, to others show.

Never doubt in the darkest night,
 What God illumines with His Light;
 For Faith is walking in His Light,
 And doubt is walking in the night!

Men do the wrong and mock the right,
 Playing like fools in sin's dark night,
 Refusing unto God to turn,
 Denying they in Hell will burn!

Our Father's promise is never slack,
 His Plan is always right on track,
 And though we pine away in time,
 Naught will undo the Word Divine.

Content my God doth care for me,
 Content that He has set me free,
 Content He has prepared for me,
 A Place for all eternity!

In famine of hearing men disobey,
 Ungodliness doth fill their way,
 Their lust doth rule by night, by day,
 And they'll with Fire, forever pay!

The sons of God will hear His Voice,
 Obedience will be their choice,
 The world will know by deeds of right,
 That they do walk in God's own Light.

Coming to God requires the Truth,
 And His favor to then pursue,
 The Lover of my very soul,
 Who suffered death to make me whole.

The tidings of our day and age,
 Recount of men in godless rage,
 Twas written of in ages past,
 To let us know that time won't last!

Are you sick of sin and death?
 Do you seek Celestial Balm?
 Christ will grant Eternal Breath,
 You'll live forever in His Calm!

The tidings of our day and age,
 Recount of men in godless rage,
 Twas written of in ages past,
 To let us know that time won't last!

Dangerous days surround the just,
 Obeying God is what we must,
 If we would Have Eternal Life,
 Escaping Hell's eternal night!

The Book with Seven Seals thereon,
 Begins God's Wrath on wicked throng,
 But faith in Christ, and Him alone,
 Will let you join the Blood-washed Song!

The Seals, once loosed, begin the woe,
 Of wicked men on earth below,
 The horror of has never been,
 Nor ever will be seen again!

Murder of men comes from within,
 From hearts of sin of wicked men,
 Repentance is the only way,
 That souls may see Eternal Day!

All evil's root is money's love,
 Twill tear you from your Home above,
 You need not have great wealth or lands,
 If you're supplied from Father's Hand!

Death comes once for one and all,
 For rich and poor, for big and small,
 You need to know where you will go,
 When Death comes knocking here below!

Christians who died in martyrdom,
 Await the End in God's Kingdom,
 For many more will testify,
 And for their Lord will give their life!

The tribulation of the End,
 Will fall upon the wicked men,
 Who lied about the Truth of God,
 And claimed His name upon the sod!

The Revelation of our KING,
 Will make the faithful heart to sing,
 For it reveals our Lord will bring,
 His ransomed children Home to reign!

A loved one's death is not the end,
 If they through faith believe in Christ,
 Not so, but they did just begin,
 They'll join our Lord's Eternal LIGHT!

A spirit birth of God of Life,
 Delivers me from mortal life,
 That I may live eternally,
 With Him whose Blood was shed for me!

To live with God I must obey,
 The Blessings of His Word and stay,
 Within the straight and narrow Way,
 Until dawns Eternal Day!

Repentance is the crux of faith,
 For it your heart will demonstrate,
 For you will oft return and stay,
 With Christ the True and Living Way!

Avoid the wrong and do the right,
 And you will always walk in Light,
 Until the Morning conquers Night,
 And we ascend to Glory bright!

Christ, His Own, is able to keep,
 He guides the footsteps of their feet,
 He guards the tremors of their sleep,
 And will forever give them Peace!

Enticed away from Holy Writ,
 Because we wouldn't think of it,
 If choices made stay reprobate,
 We have forever sealed our fate!

Whosoever believeth God,
 Will not be left upon the sod,
 For when Christ comes to claim His own,
 They'll rise to their Eternal Home!

My love for God will pain my heart,
 If from His Words I dare to part,
 It will compel my chosen way,
 To seek Him each and ev'ry day!

Damnation is the very end,
 Of ev'ry soul born into sin,
 The Blessed Hope of their escape,
 Is trusting in Christ's Blessed Name!

Ev'ry enemy of the Cross,
 Will find Eternity a loss,
 Because they mocked the Living Way,
 They'll never see Eternal Day!

When It's delivered unto men,
 God's Word delivers them from sin,
 It gives them Joy and Peace and Love,
 And brings them to their Home Above!

Are you zealous to love your Lord?
 To honor and obey His Word?
 If Death should come before you do,
 Eternal Hell will be your due!

Ungodly wickedness denies,
 The God who giveth them their life,
 Unless repentance finds their door,
 They'll burn alive forevermore!

Teach your family and your friends,
 That they can live without an end,
 Eternally with Heaven's God,
 When they must leave this mortal sod.

To love my God with all my heart,
 To never from Him be apart,
 Redeemed by Faith He freely gives,
 Together we'll forever live!

Believing is the ONLY way,
 Men may know Eternal Day,
 The test of Faith is we obey,
 God's Word, the Christ, the Living Way!

God's Word is Truth, Salvation, Light,
 Revealing sin and darkest night,
 For evil men it is a fright,
 For faithful men it's Holy Might!

If I go FIRST to God in prayer,
 Then I may leave my burdens there,
 I'll cast on Him my ev'ry care,
 And find His Yoke an ease to bear.

Whosoever will includeth you,
 You alone decide what to do,
 You will obey or disobey,
 Because you alone do choose your way!

Eternal Life is for all who plead,
 God's Blessed Mercy and come in need,
 Through faith repenting of their sin,
 That they might Heaven's Portals win.

The unseen things of Holy Wrath,
 Should mend our ways; direct our path,
 Lest we eternally expire,
 In endless night of Lake of Fire!

Worry not for trial of day,
 Trust in God; He will be your stay,
 Obey His Word, the safest Way,
 And you will have not one dismay!

Where e'er I go my God is there,
 Protecting me with mighty care,
 My Life is hid in Christ alone,
 Until He brings me safely Home!

Love your Lord with all your heart,
 Let Him not from thought depart,
 Let not Satan's fiery dart,
 Mold your words before you start.

Forget your God and pay the price,
 For naught will succor nor suffice,
 To save your soul from Lake of Fire,
 Because you followed Lust's desire!

Jesus Christ our Deliverer,
 Is Just to save the sinner,
 Who humbly calls in repentance,
 And grant them Heaven's entrance!

God's Book of Life has many names,
 And faith has made them all the same,
 God's children, all, they have become,
 And they shall live forever Home!

Precious in Form, and in Worth, and in Deed
 The Lord Jesus Christ is God's Holy seed,
 The Truth was made flesh just to die for me,
 Christ Jesus, the Word, is precious to me!

Destruction is upon their lips,
 Leading sinners to Fiery Pit,
 Deceiving and deceived like fools,
 Black Fire is their eternal doom!

The fruit of word and fruit of deed,
 Is plain for ev'ry man to see,
 And God at last shall judge our past,
 But only Holy fruit will last!

My brother is my family,
 The marks are very plain to see,
 Love, Joy, and Peace are part of those,
 Who Life in Christ and Heaven chose!

A Godly fear will keep you safe,
 In Peace and Joy and saving faith,
 It will preserve your very life,
 Forever in eternal Light!

Our LORD comes to claim His own,
 And take them up, forever, HOME!
 The wicked will be left, undone,
 To suffer for aye, all alone!

If I to you must act a fool,
 To be a willing useful tool,
 For Jesus Christ my Sovereign Lord;
 I will obey and preach His Word!

Kept by the LORD'S mighty Power,
 I am safe when troubles tower,
 In cleft of Rock I'm safely tucked,
 And from His grasp no man can pluck!

The Firstborn Son of Mighty God,
 Was also born the Lamb of God,
 His Precious Blood the final Price,
 That men might have Eternal Life!

All my needs, in Christ are supplied,
 He all my feeble deeds desires,
 If they are by His Love inspired,
 From love that's pure and undefiled.

The little Faith of mustard seed,
 Is just the start of mighty tree,
 That if upheld by Holy Writ,
 Defies all storms that compass it!

The suff'ring of our KING and LORD,
 Is written in His Holy Word,
 If I believe what's written there,
 With others I will gladly share!

I'm born of God, by Faith believed,
 That Jesus Christ hath ransomed me,
 He suffered death and agony,
 That I might live Eternally!

The Light I have may not be bright,
 But it's better than dark of night,
 For though I stumble in the Light,
 Without the Light I have no sight.

The Yoke of Everlasting Love,
 Is only known from God above,
 Its Burden Lights the darkest night,
 And gives the blinded sinner Sight!

For as it was when Noah preached,
 There are some souls will not be reached,
 By Word of God or preacher's voice,
 And Hell will be their own cursed choice!

Do you just think or do you know,
 That you are God's where e'er you go?
 And do you know come Judgment Day,
 That you'll be in His House to stay?

On God's Mind before He Planned,
 Creation's whole and fall of man,
 He Loved me e'er I knew His Name,
 To ransom me is why He came!

"I AM THAT I AM" is His Name,
 From all eternity the same,
 What God decrees, it shall be so,
 And if He sends it, it will go!

Our LORD'S Return will soon be here,
 Believer's hearts will never fear,
 They will be waiting for their LORD,
 Because they trusted in His Word!
