

Quarterstaff Quatrains V

By

Gale Palmer

Before the world and time began,
The Great "I AM" set forth His plan,
He made a way for sinful man,
Forgiven, to before Him stand!
God's only Son, Love's Promise given,
His Body torn, sinners forgiven,
Why did He choose the nails and the pain?
Why did He go thro' Calvary's woe?
Triumphant King my Savior rose,
Deliv'ring Death the fatal blow!
For me He chose Death's angry throes!
My Savior Loves, He Loves me so!

A lie may seem a pleasant thing,
 But your Damnation it will bring,
 For if the Truth you do deny,
 Hell will be your home for aye!

Continuing in Holy Writ,
 Means keeping and obeying it,
 Preserving Truth in thought AND deed,
 I'll find in God my ev'ry need.

We stand in awe and fear of death,
 And all that threatens loss of breath,
 But we ignore the God of all,
 And His fierce Fury when we fall!

The preacher is the Voice of the Lord,
 Who gives us the Truth from Holy Word,
 To disobey will damn your soul,
 And evil will exact its toll

God's Perfect Peace within our soul,
 Will calm our fears and make us whole,
 And though the Darkness 'gainst us turns,
 His Word, The Light, within us burns!

A PROMISE made, a PROMISE kept,
 Before the fish from ocean leapt,
 Almighty Oath, Almighty Word,
 Eternal Life from Christ our LORD!

I trust by Faith, God's precious Gift,
 And He the veil of doubt will lift,
 And by the Word of God Divine,
 I'll know I'm His and He is mine!

The Holy City from above,
 Created by our LORD of Love,
 For with clear gold its streets are paved,
 And it awaits God's Chosen Saved!

Their unbelief believes a lie,
 In Hell forever they will die,
 For unbelievers never see,
 That Truth will ever make them free!

When tossed by storms of doubt and strife,
 Our faith in God preserves our life,
 It carries us within the gale,
 So we may o'er it sure prevail!

Stillness in the midst of the storm,
 Allows God's Peace in us to form,
 With Peace comes Joy unspeakable,
 While God does the impossible!

God will judge your deed and word,
 In spite of your objection,
 Those who flee their sovereign LORD,
 Secure their own damnation!

A merry heart, a goodly place,
 Will put a smile upon your face,
 But let not doubt and fear erase,
 The wonder of Jehovah's Grace!

God's Word allows me perfect sight,
 That I may walk in Glory bright,
 And share with all His wondrous Light,
 To recue men from sin's dark night!

Murmuring hearts do not believe,
 The Truth of God they'll not receive,
 But if they come to God by faith,
 They will receive amazing Grace!

Delight in God and learn His Word,
 And you will always love your Lord!
 And when the tests of life ensue,
 His Love will always Comfort you!

I am His and Jesus is mine,
 And I'll be His beyond all time,
 My name and pain He knows and bears,
 And where He is I'll aye be there!

God's Holy Arm is strong to save,
 All those who trust in Holy Grace,
 They will forevermore endure,
 For by God's Grace their Hope is sure!

Perverted men perverting words,
 To subtly change God's Holy Word,
 With lies destroying souls of men,
 And leave them bound in chains of sin!

Thou art there when I arise,
 Declared to be by each sunrise,
 And when my soul in death doth rise,
 Thou wilt be still before my eyes!

Pleasures forever in Heaven for me,
 I'll walk streets of pure gold and Jesus I'll see,
 There'll be no more sorrow, no pain, and no night,
 Twill be morning for aye in God's Holy Light!

Ignoring God in unbelief,
 Will end in torment, no relief,
 But you decide eternity,
 And God's own Truth will MAKE you free!

Let me, faithful to Thee remain,
 And let Thy Word become my gain,
 O fill my soul with Mercy's Grace,
 Until I see Thy shining Face!

The itching ears of unbelief,
 Will follow lies to find relief,
 Ignoring God's Salvation Truth,
 And enter Hell, eternal fools!

To know my Lord is by my side,
 Protecting me from evil tide,
 Confirms to me His matchless Love,
 And brings me Comfort from Above!

Jesus is the invisible God,
 And all who dwell upon the sod,
 Who through pure faith obey and love,
 Will see their Lord in Heav'n above!

On Holy Ground there is no sin,
 Only the pure may enter in,
 To do ought else will bar your soul,
 From Blessed Peace that makes you whole.

Do you await our Lord's return?
 Does His Word direct your turns?
 Within your heart does passion burn,
 To see our Lord at His return?

Our God, Our Christ builds us a Place,
 And there we'll stay by matchless Grace,
 And when all time has been erased,
 We'll still behold His lovely Face!

God promised me a body new,
 A Promise He will give to you,
 If you obey and come by Faith,
 To trust alone in His Great Grace!

If near His Cross we kneel in tears,
 We'll lose the burdens that we bear,
 And in His Arms we'll find sweet Rest,
 If we believe that He knows best!

The mouth of Hell will swallow men,
 Who love their evil ways and sin,
 They will in torment ever be,
 Unless by Christ they are made free!

The "high places" that we do choose,
 Are not what God told us to use,
 The "Temple" is His dwelling Place,
 Where we should go to seek His Face.

True faith will lift our unbelief,
 Our blinded eyes will find relief,
 And we'll behold God's mighty Hand,
 If we by faith on Truth do stand.

God's Mercy for the penitent,
 Is for the ones who will repent,
 Believing and obeying God,
 While they do tread the earthly sod.

Our earthly life, the span of years,
 Is full of sorrow, full of tears,
 But with our Lord, beyond all Time,
 We'll live eternally, Divine!

When I set foot on Heaven's Shore,
 My sin removed, forever sure,
 For God has promised to His own,
 Their sin is, now, forever gone!

Gleaning bits in the fields of God,
 Will needs supply as on we trod,
 We'll often find amidst our toil,
 The Hand of God delights our soul!

By Adam's sin mankind was spurned,
 And Hell awaits us all to burn,
 Sin's lust brings death upon us all,
 Unless on Jesus we will call!

The poor in spirit, loved Divine,
 Will find God's faith a jeweled mine,
 With treasures more than can compare,
 With any burden that we bare!

The Sacrifice our Lord did give,
 So I, eternally, may live,
 Was His Great Plan before all time,
 So we might have a GIFT Divine!

There is no doubt, the Record's clear,
 Removing cloud of death and fear,
 Our risen Lord by many seen,
 Will save all men who will believe!

Innocent blood God will avenge,
 They will in Torment ever cringe,
 For God hath promised to repay,
 Their bloody sins on Judgment Day!

ALL things new for Godly men,
 Who turned, repented of their sin,
 A wondrous sight of Glory bright,
 Created by the God of Light!

We must always do good AND right,
 Obey God's Word and walk in Light,
 In darkness reigns, but sin and death,
 Our Life depends on God's own Breath.

You cannot please God AND mammon,
 So you must choose, Hell or Heaven,
 Sin will pay eternal Death,
 Or you can live by God's own Breath!

The Day of the LORD will shortly arrive,
 And those who are wicked will burn alive,
 Their torment will last through eternity,
 Without ray of light in their agony!

The fiery trials of earthly life,
 Will be for us nothing but strife,
 If we neglect the God of Peace,
 And in His Word firmly believe!

We say we follow Truth and trust,
 But deeds and words are naught but dust,
 There is no substance to our faith,
 If we do always disobey!

The Lord doth give, the Lord doth take,
 Our very soul He, too, doth make,
 Our purpose is engraved Divine,
 To pass the very gates of Time!

Though I stumble I will not fall,
 Because on Jesus I did call,
 He now upholds me with His Hand,
 And by His side I firmly stand.

By letting God direct your mind,
 Prosperity will be your find,
 It's good will always be your part,
 If you love God with all your heart!

A faithful light on dang'rous shoal,
 To guide the pilgrim to the goal,
 Of Joy and Peace forever more,
 On Heaven's bless'd Eternal shores!

Choose you this day whom you will serve,
 And you will get what is reserved,
 A devil's Hell or Heaven's Gate,
 For you alone decide your fate!

The Love of God, His Promise made,
 To all who call to Him in faith,
 And come repentant to His Throne,
 Christ will embrace them as His own!

The thoughts directing working hands,
 Must focus on the job that's planned,
 Else when the finish comes at last,
 All hope of winning will be past.

When tempted to retort in kind,
 Control the thought within your mind,
 With Godly thought and kindly word,
 Make others words appear absurd.

Awake or sleeping I am safe,
 God knows my steps and marks my pace,
 My Life's secure, held by His Grace,
 Until I see His lovely Face!

We must align our hearts with Truth,
 Before we go to God in prayer,
 Then know that if we pray in Truth,
 Our Lord will surely meet us there!

You cannot ever save your soul,
 In Christ alone you are made whole,
 By faith believing in His Word,
 Will save your soul from Judgment's Sword!

Unstable souls with double minds,
Do wrest the Scriptures for their kind,
They cover sin and lies bestow,
With no desire the Truth to know.

When my Faith is weak and small,
God will surely conquer all,
Circumstance and dreaded woe,
If I walk with Him below.

Rely through faith on God above,
And He will keep you in His Love,
It is by faith alone we see,
That Christ is our own victory!

Our Gracious God, how can it be,
That You would even notice me?
I Hope alone in Matchless Grace,
That I will someday see Your Face!

The faithful God commands my day,
If I will walk the Righteous Way,
And for all those who disobey,
By God's Command for aye will pay!

Truth in thought preserves the soul,
And will forever make us whole,
It's Truth believed that sets apart,
And quenches ev'ry fiery dart!

Great Joy is had when Christ is preached,
For He will heal the soul that's reached,
For those who Truth do truly meet,
Will find that Christ meets ev'ry need!

God's Holy Word doth feed my soul,
His Peace and Joy doth make me whole,
My Life he doth securely hold,
Til I am safe within the Fold!

Like vibrant bearing olive tree,
We're planted by the Water free,
Our fruit will bring to earth the seed,
That will the Living Water need.

You must believe and never doubt,
When storms of life toss you about,
Remember, Truth is absolute,
No matter the path you pursue.

Worry and doubt, born of unbelief,
Never grant a bit of relief,
But if you truly do believe,
Faith will surely your fears relieve!

We walk by faith and not by sight,
For trust in Truth gives our souls Light,
And when there falls the darkest night,
The Light of Truth shines full and bright!

It's never wrong to do what's right,
 It matters not the foe or fight,
 For if we DO God's Holy will,
 We'll find Him walking by us still.

Despising Wisdom, fools prate on,
 Denying God who judges souls,
 The Lake of Fire will be their doom,
 And torment their eternal tomb.

The gold of faith, tried and refined,
 Doth purify until it shines,
 Before all men to show the way,
 To Heaven's bright and glorious Day.

The Day of God will light our way,
 As we decide the things we say,
 Our thoughts aligned with Holy Word,
 Will let our deeds delight our Lord.

Faith must be known to all around,
 So our Father by all is found,
 We shine our Light by doing right,
 In spite of sin's relentless night.

Although I fall I shall not fail,
 Because for me the LORD prevails,
 His Pow'r and Love doth keep my soul,
 His Grace hath brought me to His Fold!

Repenting of the sin I'm in,
 The times I fall and once again,
 Obeying God the One I love,
 In Hope of Heav'nly Home above!

You truly know if you only do,
 What Christ our Lord commanded you.
 By faith believing, doing too,
 The doing makes you know it's true!

Simplicity of mind and thought,
 Will soothe the minds with chaos fraught,
 Reminding of the Grace that brought,
 Vict'ry o'er sin's battle we've fought.

Troubles trouble the best of us,
 We find ourselves with mess and fuss,
 But if we trust our God above,
 We'll find ourselves in Peace and Love!

The Word of God rebukes the sin,
 The storms of life create within,
 It will the Peace of God begin,
 To quell the darkest stormy din.

I am confident God Loves me,
 And with Him I will ever be,
 Because His Love has ransomed me,
 And I'm His child; forever free!

Faith that's heard is a shining Light,
 To those who walk in sin's dark night,
 If we will walk in path of Right,
 We walk by faith and not by sight!

His Workmanship is my desire,
 Though I may walk in furnace fire,
 I know that God is with me there,
 And His power beyond compare.

Do you believe God's Holy Word?
 Or only words that you have heard?
 Is God's own Word your Hope and Stay?
 Or do you trust in what men say?

What's in your heart will shape your life,
 Be it the Truth or lies and strife,
 The world will know the Gard'ner's Hand,
 If on God's Word your life doth stand.

We ought not doubt and go astray,
 God's Word should be our Hope and Stay,
 And we should keep it ev'ry day,
 Or sin will damn us on that Day!

Are you thankful that God is good?
 Are you doing the things you should?
 Do you believe God will provide?
 And do you trust His Word to guide?

Lord, make me to know your love for me,
 And make me to see with surety,
 All of the things Thou hast promised me,
 That I may display my love for Thee.

The Word of God is absolute,
 Whate'er He speaks is always true,
 His Voice Commands Creation's realm,
 His Hand forever guides its helm.

All fools will mock the faithful God,
 E'en though His Word their conscience prods,
 And though He died to save their souls,
 They will not call to be made whole.

Created by God for loving Him,
 So we might forever live with Him,
 On Calvary's tree for sin He died,
 That we might be righteous, justified!

Shun the evil by doing right,
 Just love the Lord with all your might,
 And when tis o'er sin's darkest night,
 You'll dwell in Heaven's Glory bright!

Your words and deeds do not redeem,
 It's faith alone in God unseen,
 That frees all men from sin and death,
 Transforming them with God's own Breath.

Content my God doth care for me,
 Content that He has set me free,
 Content He has prepared for me,
 A Place for all eternity!

In famine of hearing men disobey,
 Ungodliness doth fill their way,
 Their lust doth rule by night, by day,
 And they'll with Fire, forever pay!

The sons of God will hear His Voice,
 Obedience will be their choice,
 The world will know by deeds of right,
 That they do walk in God's own Light.

Coming to God requires the Truth,
 And His favor to then pursue,
 The Lover of my very soul,
 Who suffered death to make me whole

We're wondrously designed by God,
 To live upon this mortal sod,
 But by our choices we decide,
 In Hell or Heaven to abide.

I cannot school my secret thoughts,
 Unless my life by Christ is taught,
 Unless I fear the God above,
 And stay, constrained by matchless Love.

The child of God will answer true,
 For all the things which they did do,
 The Judgment Seat of Jesus Christ,
 Will give reward for those done right.

With death our Lord defeated death,
 Declared aloud by dying Breath!
 Believing souls escape the Fire,
 Of sin's condemning evil mire.

Creation in its wondrous glory,
 Was all finished in eternity,
 For whate'er is spoken by our Lord,
 Tis forever DONE by His own Word!

The fight for our life begins in our mind,
 Its thoughts will decide our actions in kind,
 Obeying God's Word through faith in our soul,
 Saves from damnation and makes us whole.

Our Lord will surely see us soon;
 It may be morning, night, or noon,
 Then we will change in twinkled eye,
 And rise to meet Him in the sky!

The Day of Christ is NOW at hand,
 On Mount of Olives He will stand,
 And He will speak His foes to death,
 With mighty thunder of His Breath!

The unseen Light cannot guide men,
 Away from darkness and their sin,
 Our timid faith denies our Lord;
 The great Salvation in His Word!

The Word of God is the Will of God,
 For all men who trod this mortal sod,
 And if we trust what our Lord commands,
 On Heaven's Shore one day we will stand!

When all of time is fin'ly done,
 And all believers gathered Home,
 Will you be counted as God's Own?
 Or Hell become your final home?

From the beginning it has been so,
 God's Word is here for all men to know,
 It is no secret hidden in night,
 But has been openly in plain sight.

I'm born of God, I am set free,
 A child of God that now is me,
 While mortal flesh may sinful be,
 I may by Spirit choose God's decree.

We always harvest what we sow,
 Which teaches us the things we know,
 If God's Word is the Seed that's sown,
 The Truth will be the harvest known.

Circumstances may come and go,
 But in our faith we always know,
 Our loving Father will prevail,
 Til we are quit of our travail!

The Trumpet of God will surely sound,
 And we shall not by earth be bound,
 We'll rise to meet Him in the air,
 To join our Lord in Heaven fair!

Have you fallen away from Love of God?
 Does care and sorrow on your dark soul trod?
 Has your faith deserted and left you bound?
 Or is the Peace of God within you found?

Remember the good that others do,
 Forgetting their faults and bring them to,
 The Throne of Grace and plead their case,
 That they may find amazing Grace!

Diligence is purpose determined,
 Always walking focused, undaunted,
 Trusting by faith in God's Holy Word,
 Seeking eternal, matchless Reward!

The unlearned question seeks to doubt,
 The Truth of God, to throw it out,
 To foster lies and wanton sin,
 Promoting strife and will of men.

Through knowledge of God's Holy Word,
 We find the Peace of Christ our Lord,
 Assuring us by faith and Love,
 That we are born from up above!

To know my God, look on His Face,
 Is only found by matchless Grace,
 And when I rise to worlds unknown,
 I'll see Him on His gracious Throne!

With good repay the foul misdeed,
 And God will Bless your ev'ry deed,
 Your foe's own wrath will them undo,
 For Father's Love avengeth you.

The Cross was death to Christ our Lord,
 And those who trust upon His Word,
 For we must follow His Command,
 And not allow our lusts to stand.

Truth is the key to Liberty,
 Making men securely free,
 Obeying Christ who ransomed me,
 Will surely bring me Liberty!

If we profess we have no sin,
 Deceit is what doth lie within,
 And we will be the worst of men,
 If we do not repent of sin.

The roaring lion oft distracts,
 Our thoughts from dwelling on the facts,
 That Truth provides us Liberty,
 From death and sin and sets us free.

Desire not that which perishes,
 For it will not bring peacefulness,
 Desire instead the Heavenly,
 For it will last eternally.

The itching ear cares not for Truth,
 But wants instead the food of fools,
 The true believer seeks to find,
 The Blessed Savior of mankind.

What in life do you deem the best?
 What do you value more than rest?
 The heart's desire you can't conceal,
 Your treasure does your heart reveal.

The weeping heart doth joy in Truth,
 It doth with eagerness pursue,
 The very God of righteousness,
 Forsaking all their sinfulness.

The Mighty Lord has done great things,
 Our lips should make the mountains ring,
 Our praise should make the sparrows sing,
 The world should know our God is KING!

Be careful what you do and say,
 Because others may surely pay,
 Make sure your path is clean and bright,
 For those that follow in your Light.

Worry is the thought you think,
 When you cannot do anything,
 Truth in thought will surely bring,
 Faith of God in ev'rything!

Pursuing pleasure in the world,
 Will ill affect my fellowship,
 I will deny the Written Word,
 Forsaking my discipleship.

When thought of God is in our heart,
 He will never from us depart,
 He ever waits to meet our needs,
 And for our sins He intercedes.

The Word of God will try our deeds,
 And burn up all of evil's seeds,
 He will supply our ev'ry need,
 If on His Word we always feed.

Eternity surrounds us ever,
 But we might not perceive it there,
 Unless we seek for God in all,
 We'll never find our God at all.

Pleasing our God in word and deed,
 Is all we really ever need,
 For if we live by Holy Word,
 We will forever please our Lord.

In the stillness of the Truth,
 There no more is Peace pursued,
 For its Joy our soul enfolds,
 And our craft its Anchor holds!

The "Blessed Hope" anticipating,
 The Truth our Hope precipitating,
 The thought of our contemplation,
 The Daybreak of our Salvation.

The words we speak must not misguide,
 The Word of Truth we prophesy,
 To warn of penalty for sin,
 Of Lake of Fire awaiting men!

A child of God is what I am,
 Protected by His Might I stand,
 I have not aught, but by His Grace,
 And I will see His Blessed Face!

By Faith we know that God is real,
 Unless to reason we appeal,
 For human reason doth conceal,
 All that Faith to us reveals!

The sacrifice of my desires,
Of carnal deeds and lustful fires,
Will please my Blessed Lord above,
And keep me safely in His Love!

Breathing in the Holy Word,
Instills in soul the Living Lord,
And I will know in spirit, soul,
That He has made my spirit whole.

Enduring all the slights of men,
While seeking their release from sin,
Will measure my humility,
And like my Savior I will be.

I'll surely fail pursuing wealth,
I'll lose my faith, perhaps my health,
But when all life is said and done,
It's faith alone twill see me Home!

Perform your fasts before the Lord,
In all accordance with His Word,
For He will hear your earnest prayer,
And He will always meet you there.

Idolatry can be simple things,
From choc'late cake to fancy flings,
And even when we have good sense,
We still may reap the consequence.

What God begins, God will finish,
Man cannot one whit diminish,
His Grace and Love forever sure,
They will forever more endure!

The separated Child of God,
Will live above the earthly sod,
In word and deed they'll verify,
That by God's Word they're sanctified.

To walk with God as trusted Friend,
To Truth we must our minds attend.
For God's own Peace will soothe and tend,
And all our sorrows He will mend.

When I think upon God's Word,
And I rest upon the Lord,
Peace will calm my troubled soul,
Heal my wounds and make me whole.

The wonder of Almighty God,
Will ease the sorrow of the sod,
Will guide the steps that men do trod,
And fill their hearts with Peace of God!

If we follow our Lord's Commands,
We will avoid sin's dark demands,
And when attacked by evil's bands,
Our soul in Peace will surely stand!

The Fire of God will test our deeds,
 And purest faith will then succeed,
 As purest gold the fire withstands,
 It will come forth in golden bands!

Persuaded that my Lord is true,
 In all the things I say and do,
 Because I've learned the Truth and know,
 It makes me free where'er I go.

The Peace of God sustains our life,
 It calms our soul amidst the strife,
 And when the Tempter whispers swill,
 Our Lord Commands us, "*Peace be still.*"

The life in womb is Bible fact,
 Refuting reason, human acts,
 God's Word is ever always true,
 Without one error away through!

The miracle of virgin birth,
 Announced His Presence here on earth,
 Proclaimed by men for centuries,
 Established for eternity!

The Day of Christ will come at last,
 The space of time will all be past,
 In Pit of Hell the devil cast,
 At Jesus' Feet we'll sit at last!

Diligence is what is required,
 If God's Favor is my desire,
 If I would burn with Holy Fire,
 The Love of God must be my hire.

God's Word protects the faithful soul,
 Not just in part, but as a whole,
 To know in part leaves us deceived,
 It is the whole we must believe!

Loving God with all of our heart,
 Is often done but just in part,
 For what we say and what we do,
 Is often found to be untrue.

Loving my God until the end,
 Because He forgave all my sin,
 My heart is His, my life His own,
 For His shed Blood my sin atoned!

The darkest dark, the blackest black,
 A place where torment has no lack,
 Hell is no myth; it is a fact,
 And there will be no turning back!

Never forsaken by your God,
 As you travail upon the sod,
 For all His Holy Word is sure,
 And will forever more endure!

When by His Faith I walk in Light,
 I will become my Lord's delight,
 For if my eyes will seek His Light,
 I will not fear sin's evil night.

Our Lord's return is very nigh,
 And we will see Him in the sky,
 Believe His Word and trust His care,
 And you will dwell in Heaven fair!

We're sanctified by Christ our Lord,
 Through simple practice of His Word,
 Though evil may assail us much,
 We're safely kept by God's own Touch.

Is God's Word in fallow ground,
 When it within my heart is found?
 Or does it grow in goodly soil,
 With diligent and faithful toil?

Salvation comes to hapless fools,
 Who fully trust in Christ the Lord,
 Forsaking all their foolish ways,
 And by true faith obey God's Word.

Continue in the faith of God,
 As long as thou art on the sod,
 It will preserve thy life below,
 A witness to Eternal Hope.

When friends and family do turn,
 And with their words our faith do burn,
 We must their origin discern,
 And not their sinfulness return.

Sodom is a dangerous place,
 If you do thereby set your face,
 For you will never win the race,
 By looking back to second place!

Decree of God forever stands,
 It will not be stopped by evil hands,
 Until the earth and heavens flee,
 It will not ever cease to be!

All men will go their crooked way,
 Regretting then that they must pay,
 Unless they cease their wicked way,
 They'll surely pay on Judgment Day!

Caught away in Heavenly Throng,
 To join the Everlasting Song,
 Might be today; it won't be long,
 Til we are where we do belong!

Forsaking all the temporal strife,
 For Prize Divine, Eternal Life,
 To run our race to Finish Line,
 And find ourselves in Grace Divine!

If I shun sin along my way,
 God always hears me when I pray,
 I will but ask for needed things,
 And Father my provision brings!

Rejoicing patiently in prayer,
 Will ease life's burdens and its care,
 For if we Hope in God above,
 We are delivered by His Love.

God's mighty Hand sustains my soul,
 His Word is my Anchor in the gale,
 He keepeth me and makes me whole,
 And with His Righteousness prevails!

O precious Lord, please hear my cry,
 O let Thy Spirit comfort mine,
 Please let Thy Word direct my way,
 And teach me, Lord, how I should pray.

Never forsaken nor forlorn,
 Even when tired, tattered, and torn,
 God will deliver and care for His own,
 Until they at last reach eternal Home!

The faithful's thoughts obey their Lord,
 Their very life kept by His Word,
 And when sin's evil foes assail,
 They know God's Word will never fail!

The Word of God will make me free,
 If I let it reside in me,
 The Light of Truth will show the Way,
 And in God's Favor I will stay.

Obey God's Word or not,
 Your choice is what you got,
 To make the Truth your lot,
 Or in your sin to rot.

To suff'ring I must enter in,
 To know the fellowship of Him,
 I must with Christ endure the pain,
 If I do ever hope to gain.

Soberly watch for Christ's Return,
 Warning the lost that they not burn,
 Preaching the Word in Spirit's Pow'r,
 Ready to leave whatever hour.

The Lord's Return will sure surprise,
 The ones who have believed the lies,
 And else they Truth do seek and find,
 They will be surely left behind!

Sanctify your thoughts to Christ,
 Walk with Him in Truth and Light,
 And you'll find in sin's dark night,
 That you will ever walk aright.

In earthly life we ought to stay,
 Close to our Father in the Way,
 So we may humbly give Him praise,
 As we to Him our voices raise.

To seek our God is not a whim,
 For we must give up all for Him,
 But if we do, we'll always find,
 That we've left nothing else behind!

We trust and do what we believe,
 And if to Truth alone we cleave,
 It will determine how we live,
 And all our doubts and fears relieve.

Are you in bondage to your lust?
 And does your life cleave unto dust?
 To Blessed Truth draw nigh thou must,
 And Liberty is yours through trust!

God has revealed His Secret Place,
 Where we may dwell before His Face,
 Where no evil may cause us harm,
 Nor circumstances cause alarm.

The Faithful's faith preserves their life,
 Safe from the storm of deadly strife,
 Because God's Word brings Holy Peace,
 And in His Presence storms will cease.

Will God laugh on Judgment Day?
 When it's time for you to pay?
 Or will you stand with Christ, the Way?
 And live in His Eternal Day?

I'm learning daily as I walk,
 The Christian Life is more than talk,
 For it demands my ev'ry love,
 Be for my Father up above.

Chosen before the brink of time,
 Your Word assures me I am Thine,
 I know and trust Thy Love for me,
 And will throughout Eternity!

His Promises are ever sure,
 Eternally they will endure,
 And if you trust His Holy Writ,
 With Him forever you will sit.

All my sin He has forgotten,
 Because by Faith I am begotten,
 Heir of God in Christ, forever,
 And nothing from His Love can sever!

I come before my Father, KING,
 And all my love to Him I bring,
 For He has given all for me,
 That I might live eternally!

With Trumpet Sound our Lord will come,
 And we shall rise in clouds as one,
 For as He said, "*Again I'll come,*"
 For He has left an EMPTY TOMB!

The raging fools of godless men,
 Delight in their ungodly sin,
 And they will find at their life's end,
 That deepest Hell will shut them in!

Bountiful things do pave the Way,
 Of those who follow Truth by faith,
 For they will find the God they love,
 And live for aye with Him above.

The next clock to the Time is here,
 There is no more Time to shed a tear,
 No more dear ones to nestle near,
 For Christ comes for us in the air!

Professing wisdom men do say,
 That they alone do know the way,
 But for their evil they will pay,
 Before their God on Judgment Day!

We may not always do the good,
 But ought as often as we could,
 To do the right and shun the wrong,
 To show that we to Christ belong.

Our evil thoughts corrupt our speech,
 Defiling words of Truth we speak,
 We must God's Word in thought retain,
 If we from evil would refrain.

Wickedness within our heart,
 Will make us from our Lord depart,
 But if we to His Word do cling,
 To us His Peace and Love will bring.

Adopted through the Father's Will,
 I now can come before Him still,
 Bringing my joys and heartaches all,
 Receiving comfort when I fall.

Do not provide for lusts and want,
 And Satan's lures will not you daunt,
 Obey what God says in His Word,
 Walk in the Light and please your Lord.

The Day of Judgment soon is here,
 The Day each one of us should fear,
 But if by faith we are redeemed,
 Heaven's Joy will be our theme!

Are you ready to meet your God?
 To part for aye with mortal sod?
 Will His Return find you asleep?
 Or will you join in at His Feet?

More than conquerors are we,
 By God's Word we are set free,
 For while evil has its spree,
 We stand clad in Liberty.

We're unmoveable if we stand,
 Fixed in God's unchanging Hand,
 His Word is our Foundation sure,
 For it will evermore endure!

Fine gold desired does not appease,
 Nor when we do just as we please,
 But Truth obeyed, will satisfy,
 And bring a Joy none can deny!

Our Joy is finding happiness,
 Tis only found in Righteousness,
 If we would find sweet circumstance,
 We must obey with diligence.

Happy are those who love their God,
 Joy will be theirs upon the sod,
 Peace from above will their life Bless,
 Living in Light of Righteousness.

The Law of Life will keep from harm,
 Within it there are no alarms,
 We can reside in Liberty,
 If it is Truth that makes us free.

The secret place of inward thought,
 Is where we go when we are fraught,
 And when we find our Lord is there,
 His Voice will be the One we hear!

Your words and deeds will seal your fate,
 They are the script upon your slate,
 So let the Truth your life dictate,
 And let its Light your night abate.

Love your foes; it is God's Command,
 All of your woes He will withstand,
 And when your final day doth come,
 You will be aye, forever Home!

It's yes or no, I choose the which,
 God's Word the Light, my choice the switch,
 I can obey or disobey,
 The Word is Light upon my way.

A quietness and Place of Peace,
 A Place where fear and sorrow cease,
 Is found by those who on Christ call,
 Upon whose souls God's Mercy falls.

Enclosed in Everlasting Arms,
 Forever free of evil's harms,
 I will reside in Peace and Light,
 Where God has vanquished ev'ry night!

Jehovah God and none beside,
 With Him I always will abide,
 In Peace I'll walk close by His side,
 His Word will ever be my Guide.

Do you seek and do you find,
 Your God in ev'ry thought of mind?
 Is your soul in harmony;
 With the Lord who ransomed thee?

All evil men reap evil fruit,
 All their efforts are but moot,
 Our Father God has so decreed,
 That they should reap their evil deeds.

The Path is narrow, straight, and true,
 And it will seem to buffet you,
 But be reminded of God's Love,
 And bliss accorded you Above!

In the Garden's still we hear His Voice,
 But we must visit there by choice;
 If we would hear His Voice of Love,
 Then we must rest our thoughts Above.

When I sin I am not hidden,
 Even though by guilt I'm ridden,
 I cannot hide from God's own Sight,
 For ev'rywhere He is, is Light.

No other book among the scrolls,
 Can save my soul and make me whole,
 Its pages free my soul from sin,
 If its Words my soul doth win.

Consider now, the life you live,
 And how much time to God you give,
 If you would truly have success,
 Seek first the Lord and Righteousness.

Our Father knows our frame is dust,
 And that, to live, repent we must,
 If we would leave this earthly crust,
 Through faith we must in God's Word trust.

In God alone the Truth is found,
 And in His Mercy Grace is bound,
 In Him all Wisdom doth abound,
 For those who seek He will be found.

Do you follow what you see or what you know?
 Does God's Word dictate the path on which you go?
 Your belief in yourself will condemn to Hell,
 But faith in your God will always fare thee well.

True wisdom comes by faith alone,
 When trusted Truth's sweet Light has shone,
 No carnal mind can ever know,
 The Face of God and Heaven's glow.

Though trouble be exceeding great,
 The wicked will bemoan the fate,
 Their sin brought down upon their pate,
 They'll not repent when e'en too late,
 And blaspheme God and seal their fate!

Your life will show your very heart,
 For from its thought your deeds are got,
 And if your thought doth please your Lord,
 Your deeds will follow Holy Word.

The harvest is sure; you will reap what you sow,
 Even though often, we wish it weren't so,
 God's Word reminds us to trust and obey,
 To find Heaven's bliss there's no other way.

For when my heart by fear is fraught,
 My Father knows my every thought,
 Of all my fear I'll be relieved,
 If Holy Word I will believe!

If God's Word by faith is received,
 And then the GIFT of God believed,
 Eternal Life is then conceived,
 And death's damnation then relieved.

The Tempter falls beneath our feet,
 So Promises the God of Peace,
 His head shall fall in last demise,
 Beneath the footprints of the Wise!

God's Judgment Day will soon be here,
 And men will quake and cry for fear,
 Of Him Who sits on Great White Throne,
 To Judge all deeds that they have done!

The warming touch of Lover's Hand,
 Inflames our soul, we understand,
 The passionate desire of soul,
 That sweetly heals and makes us whole!

O how shall I perfect my choice?
 By following the still, small Voice;
 God's Word within my heart directs,
 And all my way His Will reflects.

I will obey my Lord's Desire,
 Though man and demon may conspire,
 Through fear of death my faith retire,
 For my God's a Consuming Fire!

Our Lord was for us forsaken,
 That all men might stand forgiven,
 His Everlasting Love was given,
 So we never are forsaken!

A Light you need if you would look,
 And you must trust God's Holy Book,
 For sin will bait and your life hook,
 And you will rue the road you took.

Turn to God with all your heart,
 Let His favor not depart,
 Let His Word your life control,
 And your life will be made whole.

O Bless the Lord, Who gave you life,
 Who keeps your soul from evil's strife,
 For into life twas naught you brought,
 Tis He that stays Death's evil drought.

Truth in soul is God's desire,
 It will save us from the Fire,
 To escape sin's fatal mire,
 Let God's Truth be heart's desire.

The Lord doth come in Glory Bright,
 The world will bow before His Might,
 He will at once make all things Right,
 And we will see His Wondrous Light!

Creator God is where I am,
 No matter where or how I stand,
 He guards my life with Mighty Hand,
 He'll take me to the Promised Land!

The Truth will guide our pilgrim way,
 If we allow its Words to sway,
 Our thoughts and deeds of ev'ry day,
 And from our Lord to never stray.

Forgotten not tween earth and sky,
 E'en though we often question, "Why?"
 Forever Lover of my soul,
 My God desires to make me whole!

To free the captive from their chains,
 And heal the infirm of their pains,
 To them we must the Gospel bring,
 So they might hear its Freedom ring!

I find God's Word a shining Light,
 A beacon bright in darkest night,
 And though I fail to win my fight,
 His Way is always Blessed, bright.

The Voice of Truth within our soul,
 Invokes desire to be made whole,
 Its Presence makes our hearts to know,
 That we are cleansed by Calv'ry's Flow!

There comes a Day; it's on its way,
 When men who sin will have to pay,
 Unless repentant they do fall,
 Before the God Who Judges all.

We bend our will our mind to suit,
 But it is bent by our pursuit,
 Of what we're mindful shapes our day:
 And destines our eternal way.

The past remembered is held fast,
 To give us lessons that will last,
 Of Blessed Hope reminding us,
 That Christ our Lord delivered us!

To buy the Truth with faith I pay,
 For by His Grace through faith I'm saved,
 So by His loss my life I gained,
 And by His Word the Gift obtained.

Our words and deeds are what we wear,
 It's all that others with us share,
 But God can see our hidden heart,
 And by it Judge us when we part.

O, not a care will Christ refuse,
 If we by faith our sin defuse,
 For He will keep us to the end,
 And with His Might our life defend!

With Christ my all, what is there more?
 There is no greater treasure store.
 All else will simply melt away,
 When I decide with Him to stay.

The Word of God is food and drink,
 Beyond what we may ask or think,
 For if our Lord Commands it so,
 We'll have no lack where e'er we go.

The lily's grace upon the stem,
 Imparted from the God of men,
 Doth teach, toil not for gain of men,
 But for that Treasure found within.

The dead cannot respond to life,
 What e'er the conflict, bane, or strife,
 But by God's Word the dead may live,
 Through faith Eternal Life He gives.

We follow Christ; He is the Way;
 He'll guide us to Eternal Day,
 And if we falter day by day,
 He'll bring us back into the Way.

God's Word will guide me if I let,
 Its Light illumine ev'ry step,
 And if the dark brings me alarm,
 The Light of God will stay my harm.

The Spirit's Voice reminds us oft,
 We're not alone when tempest tossed,
 For with us walks our dearest Friend,
 Beside us to the very end!

The Light reveals the Light itself,
 Like candle lit upon the shelf,
 By Word of Truth the blind do see,
 And then the Light the can perceive.

The fear of God is first the step,
Which ends all worry, fear, and fret,
For those who fear Him love Him best,
But those who do not, find no rest!

Above all thought or sweet delight,
Above all treasure golden bright,
Our Father will not stay His Love,
Nor keep from US His Store Above!

I'll have no lack of needful things,
For God my Shepherd keepeth me,
And though I stray He findeth me,
That I with Him might always be.

My prayer is heard by God above,
If I will come to Him in love,
If I will seek his Help in Light,
He will dispel my darkest night!

The widow's mites did please the Lord,
Because her living she did not hoard,
But gave it all, because she knew,
Her Father's Love would bring her through.

If I admit to Truth above,
My Lord forgives me out of Love,
He bore the whip and spikes in Hand,
So aye forgiven I could stand!

When days of famine cover me,
And drought of faith assaileth me,
In Thee alone I find relief,
If I will only, but believe.

The Thoughts of God, beyond the reach,
Of all that mortal man can reach,
But in His Word, we find Truth's Light,
Of Promised future Glory Bright!

Be still my soul and stand in awe,
Of Mighty God and Holy Law,
For It will save your soul from death,
And keep your heart with Sacred Breath!

We know not when; be noon or night,
When we shall see His Glory Bright,
With Shout of Joy and Trumpet sound,
That we will then with Him be found!

To choose to please your carnal lust,
In Hell for aye be damned you must,
For God has said your foolish heart,
In ign'rance has decreed your part.

The KING will come with Scythe in Hand,
And on the Mount of Olives stand,
His Word will Speak His foe's defeat,
His Own will gather at His Feet!

Our thoughts determine what we do,
Which deeds we often come to rue,
But if by faith, we walk in Light,
Our thoughts begin to think aright.

Peace and Rest is the Godly Calm,
That soothes the soul with Mercy's Balm,
His Promise and His Word endure,
Beyond the end of time assured!

With me beyond the end of time,
My Lord with me; forever mine!
No taint of sin nor evil vice,
My God with pleasures will suffice!

He comes to bring His loved ones Home,
Where tears and pain forever done,
For ev'ry soul who to Him comes,
Will hear His Words to them, "Well done!"

Loving, waiting, and serving Christ,
Transforms the soul with Glory bright,
Endearing men to walk in Light,
Giving blinded men their sight!

Each day we run a weary race,
It seems a never ending pace,
But if we run inspired by Grace,
At last we will behold His Face!

With faith in God I must begin,
To flee the death of sinful end,
Then I must preach to other men,
That they must flee same dreadful end.

Ungodliness has no excuse,
It fearlessly is oft pursued,
By men who have no fear of God,
Who fill the Cup of Wrath of God!

I must expel all unbelief,
And fiery darts sent to deceive,
Through faith alone I must believe,
If I would one Day stand Redeemed!

Abstain from sin in all you do,
And God will always walk with you;
Beware the crowd with whom you stand,
You may be thought part of their band.

Unified by a single Mind,
In our Lord Great Peace we find,
To stand unmoveable in faith,
And by His Grace upon Him wait.

God's Word will Judge us great and small,
His Truth determines rise or fall,
If you would not stand thus condemned,
By Grace through faith condemn your sin.

The Lord upholds me with His Hand,
 If on the Rock of Truth I stand,
 By faith alone my life is God's,
 I'll fear no harm on mortal sod!

God's Promise sure, our Hope secure,
 His Word will evermore endure,
 Though scoffers mock in unbelief,
 Believers always find relief.

Secure within God's Secret Place,
 I find His never-changing Face,
 He is my Hope and resting Place,
 Despite what trouble has erased.

It won't be long til Trumpet sound,
 Will call all those for Heaven bound;
 O may you then in Christ be found,
 And Peace and Joy in you rebound!

Truth is profitable for Life,
 For it will rise above all strife,
 In it is found a treasure Fair,
 That will transport to Heaven's Aire!

A Place Prepared; O blissful thought!
 With Precious Blood of Lamb 'twas Bought;
 A Place Prepared in God's Own Heart,
 From which we never will depart!

We run to Him, Who has us called,
 Because His Love has us enthralled;
 We are the ones His Love Redeemed,
 We ever of His Grace shall sing!

Your Father knows your ev'ry need,
 For with your care He is well pleased,
 He gave His Love with dying Deed,
 That you from death might be set free!

God's Names reveal His boundless Love,
 Bestowed on men from up Above,
 That we might aye reside in Bliss,
 In Everlasting Lover's Trist.

I'm with my Lord to never part,
 Because I've given Him my heart,
 For by my side He'll ever stay,
 And I will see Him on that Day!

What Love the Father hath Bestowed,
 His Light doth set your life aglow;
 Because your heart chose Him to know,
 To you His Love doth overflow!

The Lord Who bids us "Come" to Him,
 Will Strengthen us from deep within,
 And His Own Word, if truly sought,
 Will Bring our fears and foes to naught!

The Eyes of God are never closed,
 He will destroy all evil foes,
 Your ev'ry thought He always Knows,
 And Keeps His Own with Angel Hosts.

Our Lord Embraced infirmity,
 That we might live Eternally,
 And He showed me through suffering,
 Of His Great Grace and Love for me.

We walk in Truth to see the Light,
 Which tells us what we do is right,
 It gives men's blinded minds true Sight,
 And brings them out of sin's dark night.

Committed to obey and love,
 My Lord Who left His Home above,
 To Rescue His Beloved Own,
 And Bring them fin'lly ever Home!

God's Word doth hold the stars in place,
 The child He Loves will see His Face,
 Our Lord has Promised in His Word,
 His Purpose always is preferred.

The Breath of God, the Life of men,
 Who have repented of their sin,
 Receiving sight, they live in Light,
 Forever free from sin's dark night!

Great wicked men will surely come,
 To threaten peace and hearth and home,
 But they will surely be undone,
 When we are Raptured safely Home!

In the Fire of a burning Hell,
 Men will remember all too well,
 Rejecting God was choosing sin,
 And Fiery Lake doth wait for them!

Do your deeds declare your Father God;
 As you live your lives upon the sod?
 Or do you blindly forward stumble;
 Into the Lake of Fire's dark rumble?

The LORD Commands each atom's path,
 Creation's reigns by Him Held Fast,
 And not one soul His Hand escapes,
 Of those who come to Him through Faith!

The Light of Heaven came to die,
 To Give His Own Eternal Life,
 Our Hope in Him is sure for aye,
 He'll keep us ever by His Side!

If I would trust my Father's Love,
 My needs are met from up Above,
 And I will find myself content,
 Obeying God with all intent.

If sin has left you all upended,
 God's Grace to you is still extended,
 And if your life has God offended,
 O let it not stay unattended.

We must reside above the fray,
 To know the Ever-Living Way,
 It's in the stillness of our mind,
 The Everlasting God we'll find.

This is one thing I truly know,
 Where God is not, I cannot go,
 My deepest loss, my darkest night,
 He's always there to ease my plight.

I forever hold the Memory,
 Of the Son of God Who died for me,
 The knowledge I am forever free,
 Because Christ my Lord has chosen me.

You are the you in which God Delights,
 And you are so precious in His sight,
 He will take away your darkest night,
 And turn all your shadows into Light!

When times are hard and trials try,
 And Satan tempts to question "Why?"
 Believe the God Who cares for you,
 And He will surely bring you through!

When friends no comfort, solace bring,
 God's Word will cause sad hearts to sing,
 His Words will us the Vict'ry bring,
 If we to Truth alone will cling!

The God of Heaven Holds your soul,
 His Written Word has Told us so,
 Will your evil His Wrath incite?
 Or will you walk with Him in Light?

I'm free of death; O can it be?
 The Light of Jesus rescued me?
 From death's dark shackles I shall be,
 Set free from death, eternally!

Written forever in His Book,
 My Faith cannot, will not be shook,
 I stand Redeemed, forever sure,
 Because His Truth for aye endures!

To clearly see how I must live,
 The Light of Truth I must believe,
 If God's Word I have received,
 Sin's darkness cannot deceive.

In Jesus Christ I am complete,
 With His Favour I am replete,
 With tears I'll wash His nail-scarred Feet,
 When in Glory at last we meet!

God is ever always just enough,
 He never Gives less, never too much,
 He's always on time, never behind,
 His Riches always, forever mine!

Walking with God in Perfect Day,
 Will keep my step from evil's sway,
 The Light will Guide me in the Way,
 If by His Side I choose to stay.

The Truth proclaimed may Save a soul,
 And if believed will make one whole,
 But we must strive the Word to give,
 That by their Lord the dead may Live!

Obey the Truth; lift up the Light,
 To pierce their darkness, give men sight,
 Let Bread of Life their hunger slack,
 That they may nevermore have lack.

If you will stray from Father's Arms,
 It may be you will come to harm,
 Beware the glitz of sin and shame,
 And wholly lean on Jesus' Name!

Avoid the dark with Holy Light,
 Conquer evil by thinking Right,
 With Word of God we cannot fail,
 Though imps of Hell our thoughts assail!

By Holy Word I am persuaded,
 That by my Lord I am perfected,
 That by His Pow'r I am completed,
 And I no longer stand defeated!

My Joy in life is that I know,
 That Christ Walks with me here below,
 No matter my sorrow as I go,
 My Saviour Carries every blow!

God's Holy Word Beseeches us,
 That to His Care, return we must,
 So when our life returns to dust,
 We'll find His Word and Love are Just.

We often want the things of earth,
 Which end in sorrow, pain, and dearth,
 But if we trust, in God's Supply,
 We will find Wealth beyond the sky.

Trust in the Lord and be at rest,
 You'll find Him Worthy of your test,
 So when your best, your efforts fail,
 God's Word will Stand when foes assail!

I am defined by what I do,
 And folks will know when day is through,
 That I am walking in the Light,
 If what I say and do are Right.
