

"God Is Not a man, that He should lie; neither the son of man, that He should repent: Hath He Said, And Shall He Not Do It? Or Hath He Spoken, And Shall He Not Make It Good?" *Numbers 23:19 KJV*

God's Word Is More Absolute than gravity! Rain would not water the earth without it! No rain – no food! Everything “falls” to earth unless some other force is exerted upon it greater than gravity. If sky-divers didn't first fall, their chutes would not open. “*In the beginning,*” God Created gravity and everything stays firmly fixed to Terra Firma! Gravity determines the orbits of galaxies! It is, perhaps, the best known and least understood of all physical laws. Many theories have been suggested, but even the best fall short of a full explanation. We know gravity exists, so we accept and deal with it. Builders depend on it. Unlike the theories that try to define it, gravity never changes. When is the last time you gave it a thought? Everything on this planet depends on gravity in one way or another. Try to imagine its absence. Our first thought is, “Perhaps, we could fly,” but do you realize that gravity keeps the air you breathe snugly wrapped around the globe and the ocean out of your living room? How would we measure precious metals? It should give us long pause to contemplate that only one simple Divine law affect everything we do, but it is just one of many laws that binds our physical universe together. Do foolish men really take these facts into account when they think to defy the Living God? They assume, foolishly, that physical law cannot change! I am reminded of an anecdote that perfectly illustrates the point. A group of scientists thought to challenge God's Ability to Create man by “creating” a man themselves. So, on the appointed day, they started by filling a container with dirt. Suddenly, lightning blew their project to smithereens! After recovering from the mighty blast they began to complain and ask God, “Why?” God's said, MAKE YOUR OWN DIRT! God's Handiwork Exudes And Reflects His Unchanging Nature. “*The heavens declare the Glory of God and the firmament showeth His Handiwork.*” Men assume it will never change, but God's Word clearly tells us that there will come a Day when even the “elements” will melt. “*But the Day of the Lord Will Come as a thief in the night; in the which the heavens shall pass away with a great noise, and the ELEMENTS shall melt with fervent heat, the earth also and the works that are therein shall be burned up.*” The Apostle John wrote, “*And I saw A New Heaven And A New Earth: for the first heaven and the first earth were passed away; and there was no more sea.*” That fact that God Did Create the universe means God Can Do It Again! Did you ever mess up a math problem and start erasing? God Makes No Mistakes – everything is part of His Perfect Plan! “*The Lord Is Not Slack concerning His Promise, as some men count slackness; but Is Longsuffering to us-ward, Not Willing that any should perish, but that all should come to repentance.*” What Great Mercy And Patience He Must Have to not destroy men out of hand! It gives infinite depth to the meaning of His Love!

God's Holy Word will stand secure,  
It shall forevermore endure,  
All heav'n and earth will pass away,  
His changeless Word is here to stay. –CGP
