

"Know therefore this day, and consider it in thine heart, that the LORD he is God in heaven above, and upon the earth beneath: There Is None Else."
Deuteronomy 4:39 KJV

Light travels at 186,000 miles per second. A light year is how far light travels in a year: 5,865,696,000,000 miles. That's nearly six trillion miles a year! Each Hubble Telescope image encompasses multiple light years of space! Our God is THE CREATOR! *"He Is Before All Things And By Him All Things Consist!"* He Is Bigger than even the universe! Man can't even wrap his mind around the universe; much less understand the God Who Created It With The Spoken Word! Why would any sane person disobey Him? A SANE PERSON WOULDN'T! It is

complete fools who think to oppose the God of Creation! Satan has to blind the minds of unbelievers in his bid for power *"lest the Light of the Glorious Gospel of Christ...Should Shine unto them."* If the Truth of Who God Really Is Dawns on a conscience, it will motivate a man to believe and obey God. The Dawning of Truth Is The Birth of Faith, and, like Creation itself, comes by God's Word. *"Faith cometh by hearing...the Word of God."* We live in the abortion age. Aborted Truth; Aborted Justice; Aborted Law; Aborted Government; Aborted Wisdom; Aborted Life; Aborted Morals; Aborted Nature; and the list goes on. It's foolishness can only culminate in total and utter destruction! It is so sad to watch as Evil indoctrinates children and youth through technology! The lightning bolt is one of the symbols of satanic power and it is thought provoking that "technology" is powered by the essence of lightning, electricity. What audio visual device can function without it? What is it that occupies the minds of children with ear buds? Music is the medium of with which Satan is re-mastering the Tower of Babel! "Babel Fish" is a web translation service that allows communication between people of different languages. God confused language to start with, because evil men were constructing a tower to worship the heavens instead of the God who created them. Why do we need to "explore" space? We can't even feed the planet! The only reason I can think of is evil born of foolishness. When evil men communicate, evil multiplies! *"Thus were they defiled with their own works, and went a whoring with their own inventions. Because that, when they knew God, they glorified Him not as God, neither were thankful; but became vain in their imaginations, and their foolish heart was darkened."*

The God of Heaven stands alone,
To worship others man is prone,
When Judgment Day is fully come,
The foolish man will stand undone. –CGP

Dare we defy Jehovah; the Self-Existing One? Only if we are fools! The maniac of Gadera worshipped Jesus only after he was in his *"Right mind."* Evil steals the Light of Truth from our minds and leaves us staggering blind fools!

"The fool hath said in his heart, 'There is no God.' Corrupt are they, and have done abominable iniquity: there is none that doeth good." Psalms 53:1 KJV
