

"And Satan answered the LORD, and said, Skin for skin, yea, all that a man hath will he give for his life." Job 2:4 KJV

The value of a life is defined by the one that possess it. Health care is one of the highest priced commodities of today's world. Billions of dollars a month pour into the coffers of health care providers in exchange for what? Can they heal? The answer is a resounding "No!" God is the Great Physician! *"Unto you that fear my name shall the Sun of righteousness arise with healing in His wings."* The only thing men can possibly do is isolate or eliminate offending microbes, but the body heals itself, because God made it that way. Your immune system is your best friend. Keep it healthy by eating healthy and you'll be healthy. The best pharmaceuticals men produce have harmful side effects. On their best day, all men do is mimic nature. They do not seek to isolate natural cures, but synthetic ones, because naturally occurring substances cannot be patented. If there's no patent, there's no money or profit. Many do not realize the chemical and food industries are the cause of most of our ill health. The FDA is nothing more than an arm of Big Pharma! The aim of their officers is individual profit, not our well-being. They criminalize health and promote wealth! FDA approved drugs removed from market, because people died from them! They tell the public whatever they have to, to enlarge their profit margin! Health is unprofitable. Sickness equals wealth! *"The love of money is the root of all evil."* Those that love money are evil at heart. A man will give his entire fortune to live just one more day, if this life is all he has. Your body is dust and will return to the dust. *"For out of it wast thou taken: for dust thou art, and unto dust shalt thou return."* Your soul is eternal, because man was created in the image of the eternal God. You may either spend eternity with God or without Him; your choice! But remember, without God there is only darkness, pain, misery, and despair. If you seek eternal pleasure, seek God. If you seek escape from evil, seek God. If you seek to escape death, seek God. If you seek escape from the stress of this world, seek God. *"Great peace have they which love Thy Law and nothing shall offend them. Those that seek me early shall find me!"* Why did the martyrs prefer the flames to earthly life? What did they know that you do not? God's Word says, *"He that hath the Son hath life; and he that hath not the Son of God hath not life. These things have I written unto you that believe on the name of the Son of God; THAT YE MAY KNOW that ye have eternal life, and that ye may believe on the name of the Son of God. And hereby we do know that we know Him, if we keep His commandments."* If you don't obey God, you don't know Him! Those that know God, obey God!

A man will give his earthly wealth,
To slight preserve his body's health,
Not knowing in his abject fear,
The Great Physician standeth near. ~CGP

Satan dangles baubles of carnal lust to lure men from the gold of eternal life. He offers the false gold of pleasure instead of peace and happiness instead of joy. It's like surviving on aromas instead of eating. *"O taste and see that the Lord is good!"* You can starve to death enjoying aroma or you can come to the table. You can live forever or you can languish forever! What is it that you consider to be life? What would you give to save that life?

"For whosoever will save his life shall lose it; but whosoever shall lose his life for my sake and the gospel's, the same shall save it. For what shall it profit a man, if he shall gain the whole world, and lose his own soul? Or what shall a man give in exchange for his soul? Whosoever therefore shall be ashamed of me and of my words in this adulterous and sinful generation; of him also shall the Son of man be ashamed, when He cometh in the glory of his Father with the holy angels." Mark 8:35-38 KJV
