

*“Except the LORD build the house, they labour in vain that build it: except the LORD keep the city, the watchman waketh but in vain.”
Psalm 127:1 KJV*

The United States of America was founded on the timeless principles of God’s Word in defiance of tyranny and despotism! Our founders knew that greed and power would ultimately corrupt even the best laid foundation. Ben Franklin said, “God Governs in the affairs of men. And if a sparrow cannot fall to the ground without His notice, is it probable that an empire can rise without His aid?” John Adams, second US president wrote, “Our constitution was made only for a moral and religious people. It is wholly inadequate to the government of any other.” They wrote many dire warnings concerning the subtlety of evil men and the peril of an apathetic, ignorant, and complacent citizenry. Thomas Jefferson said, “Experience hath shown, that even under the best form of government - those entrusted with power, have, in time and by slow operations, perverted it to tyranny.” Men tear down the good. They never preserve nor strengthen it. Daniel Webster said, “The contest for all ages has been to rescue Liberty from the grasp of executive power.” We are witnessing, firsthand, the triumph of greed and power over principle. Our politicians are the butt of well-deserved jokes and slander. Instead of leading our country, they are bleeding it! It is a well-known that millions will be spent to gain a political office that only pays a pittance of their investment. When a man of integrity and honesty steps forward, he is “tarred and feathered” by all those who hold political power and influence. The mainstream media is one of the biggest culprits. For all their proclamations of “unbiased” reporting, one might as well read fiction to find Truth! There is no such thing as “unbiased.” Even the most God-fearing man is biased. The point is to make sure that your bias is righteousness, not evil. Even God is biased. His bias is Holiness and Truth! Pastors have consistently allowed themselves to be muzzled under the pretext of kindness, the lie of separation of church and state, or political correctness, instead of proclaiming Truth and depending on God’s protection. No law forbids anyone, including pastors, the right to speak out against corruption in government. The first Amendment to our Constitution states, “Congress shall make NO law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition the Government for a redress of grievances.” Between Congress and the Supreme Court, the only religion left untouched is the religion of greed and graft! Purveyors of pornography are allowed liberties that are forbidden to pastors and preachers. Free speech is still a right! It was preserved by the founders so that the people, and that includes pastors, could speak out against tyranny and evil! No one is speaking out anymore. All they want is handouts. God gives people the leadership they deserve!

Except the Lord the building trundles,
It will fall and surely crumble,
All labor will have been in vain,
And all will suffer loss and pain. ~CGP

If there was ever a time our nation needed the Gospel of Jesus Christ, it’s now! Our highest court legislates baby murder and perversion. Most citizenry have no clue what the government branches are or their powers. Our leaders are not interested in liberty. Lust for money and power are their driving influences! If believers do not repent, pray, and preach, evil will preside in our land! “If we do not once again become one nation under God, we will be a nation gone under!” ~Ronald Reagan

“The wicked shall be turned into hell, and all the nations that forget God.” Psalm 9:17 KJV
