

*"Fear ye not me?" saith the LORD: will ye not tremble at my presence, which have placed the sand for the bound of the sea by a perpetual decree, that it cannot pass it: and though the waves thereof toss themselves, yet can they not prevail; though they roar, yet can they not pass over it?" Jeremiah 5:22 KJV*

Sand yields to your finger, but the raging seas cannot pass it. God may allow the sea to flood the land from time to time, but it must always return to its berth. Surfers mount 20 foot waves, yet, for all their power, they scatter harmlessly upon the sand. Foolish men brandish puny intellects, demanding God acquiesce to them. "If you are really God, prove that you exist!" or "There is no God!" God ignores them for the same reason the bulldozer ignores the ants that angrily swarm the ground. They are of little consequence. God will do as He desires in spite of fools who defy Him. God is at once omnipotent, omniscient, and omnipresent in time and space. He spoke the elements and the universe into existence in six, twenty-four hour days! Creation stands witness against the shriveled brains that profess to know its secrets. God named every star! *"He telleth the number of the stars; He calleth them all by their names."* Scientists still cannot explain gravity. They can measure, predict, and experience it, but cannot explain it. Atomic blasts, with their familiar mushroom cloud, the flash of blinding light, and the instantaneous annihilation, demonstrate the incredible power contained within only a few pounds of atoms. There are trillions of tons of matter in the universe. Atomic blasts are the result of only a few flying apart. God's Word holds them together! How much power is that? I will tell you; six, twenty-four hour days of commands from an eternal God! On the seventh day He rested. When we rest, we sleep from weariness. God neither sleeps nor grows weary from labor. He simply stopped to rejoice in His work. When the Word of God tells me that He's going to create a new heaven and earth, I can't help, but wonder what it will be like to watch the Master at work! We look around us at the wonder of creation, and it is truly a sight to behold! However, this earth is under a curse, and it groans to be released. *"The whole creation groaneth and travaileth in pain together until now."* Can you imagine what the new "curse-free" earth will look like? I'm on the edge of my seat with anticipation!

If you fear not God and His Word,  
One final day you'll see the LORD;  
The words you hear will crush your soul,  
As you are hurled to blackened hole! ~CGP

Every knee will bow and worship Jesus, even those who cursed and denied Him. *"I have sworn by myself, the word is gone out of my mouth in righteousness, and shall not return, that unto me every knee shall bow, every tongue shall swear." Wherefore God also hath highly exalted Him, and given Him a name which is above every name: That at the name of Jesus every knee should bow, of things in heaven, and things in earth, and things under the earth; And that every tongue should confess that Jesus Christ is Lord, to the glory of God the Father.*" The wicked will realize in an instant that the God rejecting them, loved and died for them. They will spend eternity knowing they cursed themselves when they cursed Him!

*"But as it is written, Eye hath not seen, nor ear heard, neither have entered into the heart of man, the things which God hath prepared for them that love Him." 1 Corinthians 2:9 KJV*
