

"We see not our signs: there is no more any prophet: neither is there among us any that knoweth how long." Psalm 74:9 KJV

"You can't tell it like it is, if you don't believe it like it was. Most church members live so far below the standard; you would have to backslide to be in fellowship with them. Some preachers ought to put more fire into their sermons or more sermons into the fire. If you want to be popular, preach happiness. If you want to be unpopular, preach holiness." ~Vance Havner

Where have the John Bunyan's, the George Whitfield's, and the Jonathan Edwards's gone? Men like Vance Havner and Vernon McGee are not sought after any more much. What about A. W. Tozer and Andrew Murray? Do these names strike a chord? The average churchgoer in America hasn't got a clue. We have spawned a generation of milk-toast and pabulum pastors that haven't got a backbone between them, No wonder our great nation is no longer Christian! Pagans want to kill us because they abhor our morals! Believers don't contend for the faith, anymore! Oh, maybe a handful do, who are being run out of town on a rail! There are not many that even practice true faith. Prosperity, it turns out, is Satan's best tool! It has completely destroyed the moral fabric that produced documents like the Declaration of Independence and our Constitution. Elected officials are only concerned for their power, and have abdicated patriotism in favor of globalism. Our Supreme Court ruled prayer out of schools and sent babies to slaughterhouses! God's favor has long been withdrawn! Satan rewards evil with popularity and riches. Many loudly proclaimed "God Bless America," after September, 11, but it was too little too late! God could have prevented it, so the question arises, "Why didn't He?" Documents indicate that the Pearl Harbor attack was allowed by the same moral standards that guided many administrations. Is God even *in* our churches? Some churches, so called, promote the God-proclaimed abomination of sodomy and others condone murdering babies. It's a great turnout if only 35% of registered voters vote. Less than half is considered "good!?" We have deteriorated from a nation of freedom lovers into a nation of feeding grazers." The bovine compliance of most would be applauded by slaughterhouses. If you don't vote, you deserve slavery! If there are no candidates worth your vote, vote issues, but vote! Peaceably resist evil wherever it rears its ugly head. Where have all the prophets gone? Americans don't love Truth and freedom, they love convenience!

Where are those that prophesy?
No one even wonders, "Why?"
And is there hope to even try?
It is enough to make one cry. ~CGP

Feigned friendship and booze destroyed the American Indian! Lies and pleasure! We have been sleeping the drugged sleep of prosperity! Comfort is more highly prized than liberty – convenience more than achievement! Thieves watch their target for days to determine the weak points of their victim. Satan has had almost 6000 years of observation of man. Do you really believe you can outsmart him and his minions without God? If you want to buy groceries, you don't go to the hardware store. If you want God's benefits, do things His way or you're on your own! God's commands are His blessings! His provision is the benefit of obedience.

"And that, knowing the time, that now it is high time to awake out of sleep: for now is our salvation nearer than when we believed." Romans 13:11 KJV
