

*“And His disciples came to Him, and awoke Him, saying, ‘Lord, save us: we perish.’ And He saith unto them, ‘Why are ye fearful, O ye of little faith?’ Then He arose, and rebuked the winds and the sea; and there was a great calm. But the men marvelled, saying, ‘What manner of man is this, that even the winds and the sea obey him!’” **Matthew 8:25-27 KJV***

Disaster holds no menace for Jesus! He created and commanded the massive fireballs we call stars, and they’ve marched orderly across the heavens for millennia. The sun is always in its place, sunrise and sunset, and has never not been there! Men have no mental capacity to measure Omnipotence! The information physicists glean only serves to confirm they scarcely know anything at all! The more questions answered, the more questions arise. The unproven theory of evolution scarcely raises hardly an eyebrow, but one mentions God and hysteria arises. *“Because that which may be known of God is manifest in them; for God hath shewed it unto them. For the invisible things of Him from the creation of the world are clearly seen, being understood by the things that are made, even His eternal power and Godhead; so that **THEY ARE WITHOUT EXCUSE!** Because that, when they knew God, they glorified Him not as God, neither were thankful; but became vain in their imaginations, and their foolish heart was darkened. Professing themselves to be wise, they became fools!”* They know they are liars! God’s controls the bonds of atoms to the gargantuan forces that spin the galaxies! The hurricane and the tsunami do His bidding, and dew drop hears His Voice. Unbelievers plod through life with no purpose other than to survive another day gratifying their own flesh until satanic depression convinces them they are better off dead! Life is so miserable death seems an escape, but death is only a portal to eternal torment if you do not believe and obey God’s Word! There is no Joy or Peace outside of a personal relationship with Jehovah, and there is no hope outside of faith in God’s Word. Men frantically try to escape the depression that afflicts society today through any means available. Substance abuse frenzy engulfs physician and addict alike. It used to be called, sorcery, because sorcerers used drugged potions and hallucinations convinced people the sorcerer had supernatural power. Sorcerers were drug dealers and I include Big Pharma in that group! Drugs open the soul to satanic oppression. God says, *“But the fearful, and unbelieving, and the abominable, and murderers, and whoremongers, and **SORCERERS**, and idolaters, and all liars, **SHALL HAVE THEIR PART** in the Lake which burneth with fire and brimstone: which is the Second Death.”* Satan prepares our young for war against God with audio/visual entertainment. Video war games are an addiction to child and adult alike, conditioning them for war against God! We have not taught them faith, and perhaps it is more ignorance than neglect, because we have no close walk with the Creator ourselves. We are blind to our own lack, and hence, cannot instruct our offspring. Examine your faith before sending your children hurtling towards Armageddon! Let not *“little faith”* be the label our Lord uses for us.

Let not your faith give in to doubt,
But let the Truth cast worry out,
And when the storms of life emerge,
The Word of God will tempest purge. ~CGP

God never leaves our side, Dear Believer, but we often leave His when we look at the tempest instead. This is not a good time to lose focus!

“Now the Spirit speaketh expressly, that in the latter times some shall depart from the faith, giving heed to seducing spirits, and doctrines of devils; Speaking lies in hypocrisy; having their conscience seared with a hot iron.” 1 Timothy 4:1-2 KJV
