

*"Let all things be done decently and in order."* 1 Corinthians 14:40 KJV

Creation is precise and ordered from trillion star galaxies to the smallest particle of nuclear physics, which they have yet to discover. God's attention to and control of minute details is perfect. To be organized and tidy is to be God-like. Many label it obsessive compulsive disorder when it is quite the opposite. It is compulsive order, because there can only be one right way to organize. Other ways might work and often do, but how many times have you thought in hindsight, "I should have done this or that,"? Organization is the opposite of chaos. Finances that are in order never go astray. Order brings peace and reduces stress. Stress is caused by disorder. We used to jokingly say at work; "Someone has their pilot's license." referring to unorganized stacking or "piling up" of stock. Ergo, "pile it" license. To have order there must be rules, for operations, organizations, or apparatus for them to go smoothly. Clockworks must be precisely constructed or there is no clock. Train tracks cannot vary in width or trains derail and wreck. A small yet vital thing is the dividing line on the highway. It must be centered and obeyed for anyone to get anywhere with reasonable safety. Law cannot be annulled or civilized society becomes anarchy. God does everything in perfect order. All natural laws are Divine laws spoken into existence by God. *"God is not the author of confusion, but of peace."* Isaac Newton, founder of Classical Physics and Infinitesimal Calculus, said, "It is the perfection of God's works that they are all done with the greatest simplicity. He is the God of order and not of confusion." Albert Einstein said, "The more I study science, the more I believe in God." You may freely choose whether or not to jump out of an airplane without a parachute, but God's Divine Law of Gravity determines the consequence of your decision. It is so with your every choice and deed. God says, *"So shall my Word be that goeth forth out of my mouth: it shall not return unto me void, but it shall accomplish that which I please, and it shall prosper in the thing whereto I sent it."* Ungodly men declare divine Law to be natural Law. "Who created natural laws?" Any microscope or telescope reveals the perfect order of God's Word! When your body fails, you become ill. We say things like, "I don't feel good," or "something isn't right." Why do we use words like "good" and "right?" God controls each particle of the universe with His spoken Word!

All Creation is right and true,  
God will do as He promised you,  
This earthly life He'll bring you through,  
Til He at last makes all things new! ~CGP

When it seems chaos is thriving and evil is prevailing, see it for what it is; an elaborate satanic machination. He must destroy order to defeat God. He forgets he is also created and God's Laws still prevail. He futilely and foolishly persists. His deeds will determine his doom and all who follow him! *"Be not deceived, God is not mocked, whatsoever a man soweth, that shall he also reap."* Men call it "Karma." God calls it "sowing and reaping." Order is quietness and peace. *"Be still and know that I Am God!"* Calmly wait for the fruition of the Law of Promise. It will prevail as surely as gravity holds you to the surface of this violently spinning globe! Dear believer, don't sweat the storm. God controls the storm!

*"But the Day of the Lord will come as a thief in the night; in the which the heavens shall pass away with a great noise, and the elements shall melt with fervent heat, the earth also and the works that are therein shall be burned up."* 2 Peter 3:10 KJV
