

*"Looking for and hasting unto the coming of the Day of God, wherein the heavens being on fire shall be dissolved, and the elements shall melt with fervent heat? Nevertheless we, according to His Promise, look for new heavens and a new earth, wherein dwelleth righteousness." 2 Peter 3:12-13 KJV*

Something **MELTS** when the bonds that hold it together weaken or disappear. Scientists refer to the bond in atomic structure as “force.” *“For this they willingly are ignorant of, that by the WORD of God the heavens were of old, and the earth standing out of the water and in the water...but the heavens and the earth, which are now, by the*

*same WORD are kept in store, reserved unto fire against the Day of Judgment and perdition of ungodly men.”* Quite simply, that “force” is God’s Word. Do you long for the perfection that can only be found in the beauty of Heaven? Do you weary of the corruption that permeates the very pores of our flesh? Do you tire of seemingly endless devices of wicked men? Scripture tells us that God will purge the universe of evil with a fire so hot that even the *“elements shall melt.”* The oxygen you breathe is an element. I grew up in God’s Greenhouse, the Amazon rain forest. It amazes me that men mislabel carbon-based gases as “greenhouse gases.” Maybe not today, but in my day, any high school freshman could tell you the predominate gas given off in a greenhouse by plants is oxygen. God perfectly designed the relationship between man and plants. We inhale oxygen and exhale carbon dioxide. Plants absorb carbon dioxide and give off oxygen. Want clean air? Plant a tree! Global warming is a fear-mongering myth perpetrated by global elitists to lever societies into heavier economic chains to increase their wealth and power. The biggest producer of carbon gases is man himself. Alarmists are like little boys running away from the tide yelling, “Flood!” Paleontologists date fossils by the rock strata in which they are found, and geologists date rock strata by the fossils found within it. What??? Circular logic never proves anything! God created everything full grown. *“Male and female created He them.”* Adam and Eve would have had a time of it had God created them infants! Asking, “Which came first, the chicken or the egg?” is like asking “How many bananas fell off the coconut tree?” Any fool knows you need a hen, a rooster, and an egg to get another chicken. I’d like to know at what point, Darwinistically speaking, did single-cell organisms become “male and female?” They use existing species to explain “missing links.” Fact is: All their links are missing and I’m not just referring to their theory! While carbon 14 dating is purported to be accurate, it still doesn’t account for the fact that God created everything perfectly aged. Quit trying to reconcile fool’s logic with Truth! If you argue with idiots, they’ll bring you down to their level and beat you with experience! Fire has a unique way of separating out impurities. I find it quite interesting that human flesh cannot withstand fire. God has promised a “fireproof” body to every faithful believer. *“Beloved, now are we the sons of God, and it doth not yet appear what we shall be: but we know that, when He shall appear, we shall be like Him; for we shall see Him as He is.”*

Creation’s God doth oft repeat,  
And to the sons of men doth speak,  
Though fools deny this God of Grace,  
They’ll rue the Day they see His face! -CGP

*“Forever, O Lord, Thy Word is SETTLED in heaven!”* God said it, that settles it, PERIOD! *“Thou art worthy, O Lord, to receive glory and honour and power: for Thou hast created ALL THINGS, and for Thy pleasure they are and were created.”* If you grow a tomato, do you need its permission to eat it? Neither does God need human confirmation! God creates and destroys the very elements of which the whole universe, including you, consists. I call it “Elemental Truth.”

*"Wherefore we receiving a Kingdom which cannot be moved, let us have grace, whereby we may serve God acceptably with reverence and godly fear: For our God is a Consuming Fire." Hebrews 12:28-29 KJV*
